Well done to Ava for receiving her Blue Peter badges. The blue badge, Sports badge and Music badge

Well done to Ashley for receiving his football trophy.

Congratulations to Seb and Polina who wrote their own stories at home and then read them confidently to their class 2Q

Well done to Myles 2P who won 3 fights in Thai Boxing

Can you help?

Liverpool College is arranging a Careers Fair for students in Y9, Y11 and Y12 on Tuesday 21st November, between 9:30am-12pm. The event will be organised as a round robin where students move around the room and chat to volunteers to try to find out a little about their careers. Some stands will be companies, some will be colleges, but we also have a great many individuals who are there simply to chat to students about their profession to teach them a little more about it. If you are available on Tuesday 21st November and would like to take part in this wonderful opportunity for our students, please email Mrs Doran for more information sedoran@liverpoolcollege.org.uk Thank you.

Lost Property

Seb 2Q has misplaced her red school bag and 2 ties. Could all parents/carers please check your child's bags and clothing. Thank you

Congratulations to:

Ethan Blackburn who has been selected to represent team GB in the world unified championship in Italy.

Families are so busy these days that spending quality time with your child is sometimes difficult. Spending time with your child encourages them to be more independent and learn so much.

This Week why not turn off the television, I-Pad, Mobile phone and

Make a sandwich or bake a cake

love the journey

Chapter 1

This week in Chapter 1 the children have enjoyed dough disco and learning some new Makaton signs. They have also continued art in the style of Kara Walker for Black History Month. 1P enjoyed another ukulele lesson with Mr Jones. 1Q have been out and about looking for signs of Autumn.

Chapter 2

Chapter 2 have finished off their Weekly News sessions thinking about the storms in Scotland which have prevented some schools from opening. We thought it would be fun to have a day off school but we were concerned about the possible destruction a storm could cause!

Chapter 3

Over the last few weeks, the children in year 3 have been developing their ability to work collaboratively as a team, to create resources and complete tasks within their groups, to reach a shared goal. They have worked together to create a delicious menu, including visual creations of each course, to finally deliver their pitch to the dragons in the den. They have also spent some time learning about Black History Month, exploring the inspirational work of Lois Mailou Jones. They then recreated their own piece of artwork inspired by her vibrant work.

Chapter 4

We rounded off LC+ in Year 4 this term with a mindfulness discussion all about happiness, thinking about what makes us happy and how we can focus on them. In Money & Me, we used picture clues to figure out what jobs the Bank of England does. Our final Get Creative saw us creating landscape artwork inspired by our lovely surroundings here in school. We also had a fantastic workshop with Mr Pepper on Wednesday where we enjoyed making a video all about a Roman gladiator! 4P also got treated to some more home baked good as Areej H brought in some delicious cupcakes! Well done Year 4 for a brilliant term of LC+ activities, we are looking forward to starting some new ones next term!

Chapter 5

After all of our hard work this half term with ESB, Year 5 have finally completed their assessments! It was wonderful to see so much excitement and enthusiasm (despite some nerves too) when they were presenting their poems, talks and reading aloud in front of the examiners. A huge well done to them all and we hope that they feel that they have developed a number of skills to use in future! They ALL did themselves proud and we are proud of them too.

Chapter 6

A busy LC+ week in Year 6 this week. 6P continued their swimming lessons with the children all making good progress towards their goals. They also continued their jogging (along with 6R and 6Q) as they try to add more distance to their individual runs.

6R continued their restorative thinking classes with Mrs Morgan. Feedback from Mrs Morgan has been good and I'm looking forward to seeing the children applying what they have been learning.

6Q have continued their dance classes with Mrs Whitehead. They have really worked on their stretching and preparing and are now working on their final routine which sounds like it will be spectacular.

Finally, all three classes all received a visit from our videographer Mr Pepper. They learnt about the blitz and how it affected people at the time before putting together their own newsreel of the time. This is currently being edited and we look forward to viewing it soon.

Sports Report

A rain-affected week, meaning we lost a few fixtures and trials. However, our cross country teams were not to be deterred, running twice this week! Monday was the third league race of the season at Clarke Gardens. Despite a depleted squad, both teams ran very well on the night.

Then it was off to Stanley Park on Thursday. The boys were the lucky ones, running their race in relative calm weather. Once again, they put together a hugely competitive team score. The girls were not so lucky! As soon as their race began, the heavens opened, and didn't close until the race was over! As the (awesome) silhouette of Anfiel loomed over us, our girls didn't just walk through a storm, the wind and the rain, they ran through it! They also put together a really good score. We not have a break from cross country until March, but we want everyone who can to come along to training at lunch times every day except Monday!

On Tuesday, our Year 6 boys had a really tough match against St. Oswald's at home. The game was close and fiercely competitive, but our boys managed to come out on top with the victory, so well done to them.

Miss Tyrer also had the pleasure of taking some Year 5 and 6 girls to the Girls Football World Cup this week. While we didn't return with any medals, the girls all came back to school beaming about how well they had done and how much they had enjoyed it!

It's been a terrific term of sport, and we are looking forward to carrying on after half term!
