

# Liverpool College PRIMARY NEWSLETTER

Friday 15th March 2024

## Easter Bonnet/Hat Parade

On Thursday 28<sup>th</sup> March we will be having an Easter Bonnet/Hat parade that ALL children are welcome to participate in from Reception to Year 6. Do get making your hats !

On Inset Day Monday 15<sup>th</sup> April there will be a "Mop-Up" parents meeting in the afternoon for those parents/carers that **missed Parents Evening** in March. Please email Mrs Herron for an appointment  
[lherron@liverpoolcollege.org.uk](mailto:lherron@liverpoolcollege.org.uk)

## Year 3 Role Model Day - We need your help!

On Friday 19<sup>th</sup> April, we are running a Role Model Careers day for Year 3. We are looking for relatives (parents, siblings, grandparents etc) to come into school and talk to Y3 children for no more than 5-10 minutes about their job. At Year 3 level, we are just trying to help the children understand what a career means and give examples of some different types of jobs. All careers welcome.

If you would like to take part in the Y3 Role model Careers day on Friday 19h April, please email Mrs Doran for more details, [sedoran@liverpoolcollege.org.uk](mailto:sedoran@liverpoolcollege.org.uk)

## Headteacher's Award

Well done to the following pupils who were given Headteacher's Award certificates this week.

Luna R, Rory F, Joseph S, William D, Noor R, Ben O'R, Xavier S, Isabella M, Allissa K, Connor B, Zoya, Phebe, Dominic L, Violet C, Edward G-Mc, Evan D, Florence W, Mary W, Charlotte H, Amelia T, Jacob Q, Sophia M, Dollie M, Zeyad M, Theo R, James K, Abdul W-M, Alice B, Oscar C, Rudy S, Lilly J, Lenny C, Mollie M-G, Heidi B, Mya T, Elana E, Isobella J, Aidyn R, Cherry W, Jack B, Trixie M, Omari M

Pupils will be having a Whole school Photograph on Tuesday 19<sup>th</sup> March 2024. **Full school Uniform to be worn**

## Calling all Y1 Parents

Have you been  
thinking...

“how can I help my  
child with maths?”

**+ - × ÷ =**

We would love you to attend a little brainstorming evening around how to help children at home with early number. We are very excited to announce that we have partnered with the Liverpool Learning Partnership, who have enabled us to buy some resources to give to parents. Please come along to our maths evening, learn some games, have some fun, chat to other parents and teachers - AND take away something to use at home. **RSVP Friday 15.03.24**

**Y1 Parents are invited to a maths evening;**

**Wednesday 20<sup>th</sup> March 6:00-7:00pm**

## Attendance for week commencing 11<sup>th</sup> March 2024

Reception	97.4%
Year 1	95.8%
Year 2	98.3%
Year 3	95.1%
Year 4	93.9%
Year 5	96.2%
Year 6	96.2%

## Spring Term Primary Assemblies

<b>Date</b>	<b>Event</b>
20 <sup>th</sup> March	Year 3R

## Dates for your Diary Coffee Morning

Friday 22 <sup>nd</sup> March 2024
Friday 26 <sup>th</sup> April 2024
Friday 24 <sup>th</sup> May 2024
Friday 28 <sup>th</sup> June 2024

## Dates for Your Diary

Date	Event
19 <sup>th</sup> March	Whole School Photograph
25 <sup>th</sup> -27 <sup>th</sup> March	School Play - High School Musical
28 <sup>th</sup> March	End of Term
31 <sup>st</sup> March - 7 <sup>th</sup> April	Prep Ski Trip
16 <sup>th</sup> April	Children return back to school
23 <sup>rd</sup> - 25 <sup>th</sup> April	Reception Screening More information to follow nearer the time

## Notice to All Parents/Carers Equipment Wanted

Exciting times ahead for prep and preprep and we need your help!

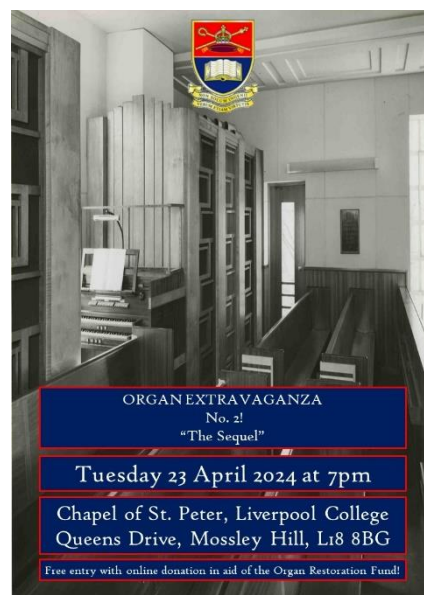

We are looking for donations - things your kids have outgrown or no longer play with - of bikes and scooters, dressing up things, suitcases, gardening equipment (no forks please), wheelbarrows and pots and pans for our mud kitchen.

We also need any small world equipment or any small cars and garden toys.

Our new play project is very exciting, we are changing the whole experience of play in our school, please have a clear out and help us out.

Our donation day is the last day of term, please bring any donations on that day.

Thanks everyone!

### [ORGAN EXTRAVAGANZA No2](#)

An organ and brass concert in aid of the Organ Restoration Fund project at Liverpool College to help raising the sufficient funds required to restore the Chapel organ.

## Year 6

Year 6 girls football team who beat Christ The King 3-2 on Monday. The girls came from behind twice to win with goals for Eva L and Heidi B

## Year 4, 5 and 8 News

Year 4, Year 5 and Year 8 students had an out of this world Science experience this week!

Through the wonders of Virtual Reality Technology and CGI, students use VR headsets to become astronauts, exploring our solar system in wondrous detail. The whole class simultaneously blasted off into space, to pilot their own vessel to learn about planets, moons, stars and satellites. This incredible immersive experience truly boosted learning and fact retention. Our thanks to Mrs Doran for organising the event and the Wilton Trust for supporting their adventure.

Well done to Jack, Will, Daniel and Bailey who took part in their first piano concert

## Reception News

Reception were so excited to take part in BikeRight BalanceAbility sessions this week! The children had fun whilst developing their cycle skills and enhancing their core balance and co-ordination.

## Mini Vinnies News

The Mini Vinnies would like to thank all the Year 3 families for their foodbank donations which were delivered to the Micah Foodbank. Donations of food are always needed and always appreciated by the foodbank! The Mini Vinnies will soon choose another year group for the red foodbank bin to visit. Thank you for your support.

## Year 7 Spanish Visit

This week, the primary phase had a visit from two Spanish teachers and ten Spanish children from Colegio Newman in Madrid. The children are here as part of a ten day Year 7 Spanish exchange and they came to visit Key Stage 1 and 2 on Monday and Thursday. The English children thoroughly enjoyed having the Spanish children in class and it was wonderful to welcome the teachers as well.

## Reception Trip to Imagine That

To kick start British Science Week the children in Reception visited Imagine That. They all had a wonderful time exploring all of their senses and learning so many new things about the world around us. The day was filled with lots of laughter, wonder and amazement. The children particularly enjoyed learning how to make snow and slime and taking part in an amazing frozen ice workshop. Here are some of our favourite photos of the action packed day...

## Year 4 boys footballers

Our Year 4 boys footballers travelled to Tiber on Thursday afternoon for their LSSP City Qualifying heat. We were put in a very strong league with some tough opponents, and the games were short, so it was intense and pressured from the off! We found the first two games difficult, and though we had lots of the ball, we didn't find the net. I thought we may have been in for a long afternoon, but a slight change to our formation paid dividends as we won the following game 3-0. From then on, we never looked back! We won all of our following games, and we didn't concede a goal. This meant we ran out as league winners, claiming an impressive 17 points from out 7 games. This means we have qualified for the city finals! We took part in a medal play off to decide the winners on the day, against the winners of the other league, who were a VERY strong side. We held them at bay during the match with some marvellous defending and some outstanding goalkeeping from Zeyad M. With the score at 0-0 on the final whistle, it went to penalties, and sadly we lost this, but there's absolutely no shame in that. It was a superb afternoon from all of the lads. Zeyad made crucial saves in goal, Oscar O was a rock at the back, as was Seb B. Hugo B bossed the midfield, with Charlie B providing some fancy footwork on the left hand side. Noah H-R was immense on the right wing, scoring some crucial goals. Jacob Q battled well and took on his opponents on the left hand side, Khasha B made crucial defensive interventions, and Theo R was full of energy and bravery in his challenges and passes. My player of the tournament though was Lucas J, who excelled up front and scored a number of fantastic goals. We now look forward to the city finals which will take place at LFC's Academy in Kirkby, joining Mr Devine's 6s! Year 3, it's your turn next week!

## Year 4 News

On Wednesday, Year 4 had the privilege of visiting Bridge Chapel to take part in The Easter Journey. This was an interactive journey through the Easter story, involving actors, tasting different foods, watching cool videos, and audience participation - including from the teachers!! It was a really fun and engaging way of learning about what happened during the first Easter, which is what we have been learning about in our RE lessons. The staff team at Bridge told me that all of the children were superbly well behaved and were a real credit to our school (even if we did leave some mud and a few other things on their carpets!)

On Thursday we were visited by Tess from Northwest Cancer Research who told us all about keeping our bodies healthy. She then led us through the fascinating, if a little disgusting, journey food takes from our gums to our bums!! We loved learning about how poo is formed, and some of the amazing things our bodies do to keep us healthy. (I for one has no idea that our body sends up water to coat our teeth just before we vomit so our teeth don't get damaged by the acid - fascinating!!)

Last Friday, the Y5 and 6 Netball teams played some phenomenal matches against St Mary's, Crosby. The Y6 A team played some lovely netball and finished with a 3-1 victory. The Y6B team had a brilliant match with some great shooting from Eva and Elana, finishing with a 6-0 win. The Year 5 teams then played some for lots of the girls, this was their first match. The A team won 5-1 and B team won 7-0. Rose, Gabrielle and Lucy scored some brilliant goals, and there was some excellent defence from Lilly J and Orla. Well done everyone! We look forward to today's matches!

### Year 6 News

Y6 took part in some Pi day celebrations today and yesterday. In their maths lesson yesterday, they measured different circular objects and looked for a connection between the diameter and circumference. Thank you to our parents for arranging some circular object for the pupils to bring into school. Today, the pupils celebrated Pi day in the MV hall with some competitions; the opportunity to win a pie, a cheesecake and a pizza! Pupils spent time estimating the radius of a pie, the circumference of a cheesecake (chocolate) and the diameter of a pizza. They solved some radius and diameter questions, they took part in a creating a 'circlestorm' and they created a Pi city. Y6 loved taking part in the creative morning and enjoyed showcasing their maths skills. Thank you to Miss Robinson and the Y6 teachers for organising this.
