

Liverpool College

Liverpool College

Educational Visits/Learning outside the Classroom Policy

Mission Statement

Liverpool College values the dignity of each individual and promotes the development of character and learning through a commitment to high standards within a caring community.

Core Values

We recognise that all pupils have different talents and strive to ensure that every pupil has an equal opportunity to find and develop the talents they do possess

We believe that the development of character, creativity intellect and spirituality, are the primary aims of education.

We work together to create a happy and caring school community which is engaged in our local community and the wider world

We pursue high standards in every area of school life

This is a whole college policy and applies to the Pre Preparatory, Preparatory and Senior School as well as the Boarding Halls and the Breakfast Club, after school clubs and the Young Explorers Holiday Club.

Approved Date	4 th July 2023
Review Date	4 th July 2024
Principal	 <p>Mr H vM Broekman</p>

Educational and Enrichment Visits/Learning outside the Classroom Policy

Introduction

Liverpool College believes that safely managed, well planned educational visits with a clear purpose are an indispensable part of a broad and balanced curriculum for our pupils. They are an opportunity to extend the learning of all pupils, including an understanding of themselves, others and the world around them. They can be a catalyst for improved personal performance, promote a lifetime interest and in some cases lead to professional fulfillment. The teaching staff and Governors are committed to providing educational, enrichment visits and learning outside the classroom activities that supplement and enhance the curriculum, providing experiences that may otherwise be impossible.

Liverpool College follows School Improvement Liverpool and the Outdoor Education Advisors Panel's National Guidelines <https://oeapng.info/about-national-guidance>. The College uses 'Evolve' the School Improvement Liverpool's software for the planning and approval of all visits and sporting fixtures outside of the college grounds and/or outside of school hours. For residential visits and day visits categorised as B, C or D (see below) School Improvement Liverpool will assess and provide approval for the visit.

This policy provides a clear and coherent structure for the planning and evaluation of our visits to ensure that any risks are managed and kept to a minimum.

Aim

The aim of this policy is to:

- ensure that all visits are safe, purposeful and appropriate to meet the educational needs of the pupils taking part
- ensure assessments and procedures for managing risks are in place
- ensure that whenever appropriate, further advice is sought from the Local Authority (LA) and from other technically competent sources.

Definitions of Visits

Visits can be categorised into three categories, these are:

Category A

These are activities that present no significant risk. They should be supervised by a teacher who has been assessed as competent by the LA or the Vice Principal (Operations) to lead the activity. Examples include sports fixtures, museum trips, Sixth Form attending lectures outside of school, walking in parks or field studies in environments that present no technical hazards.

Category B

These comprise of higher-risk or higher profile activities. LA approval is required for this category of activity. Safe supervision requires that the trip leader should as a minimum, have undergone familiarisation specific to the activity and / or the location. The trip leader will have to be approved as suitably competent by the LA and hold any necessary qualification/award. Examples include handling animals, walking in non-remote country, camping or cycling on roads.

Category C

This is the most demanding category.

It includes all those activities that, if not school-led, would be in the scope of the Adventure Activities Licensing Regulations 1996. LA approval is required for visits in this category. In the case of sports, where safe supervision requires the leader to complete some prior test of his/her specific competence, such testing might include a recognised course of training, the recorded accumulation of relevant experience or an assessment of competence by an appropriate body.

Category D

This is when the visit is residential and/or is abroad.

Sporting fixtures

Any Sporting Fixtures that are held outside of the college grounds and/or outside of school hours are covered within the umbrella of this policy. All such events are to be entered onto Evolve. They can be uploaded with several dates and a generic Risk Assessments for each venue and sporting activity is to be included. The SLT approval for such activities is given when the Fixture Calendar is generated at the start of each academic year.

Roles and Responsibilities

The Governing Body

Has responsibility for:

- reviewing this policy
- being aware of the visits that take place throughout the academic year.

The Principal

Has responsibility for:

- the overarching policy and procedures
- delegating responsibility for policy and procedure for visits to the Vice Principal (Operations).

Vice Principal (Operations)

Has responsibility for:

- the policy and procedure for visits throughout the whole college
- ensuring that the trip leader and staff on visits are suitably trained and are deemed competent
- acting on behalf of the Principal to approve visits via Evolve. Once approved visits, other than category A, will automatically be passed onto School Improvement Liverpool for further approval.

EVC (Educational Visit Co-ordinator – Mr R Newton)

Has responsibility for:

- providing support and advice to trip leaders on the planning of visits and the completion of Evolve
- checking all visit submissions and work with the trip leader to ensure that the submission reaches the required standard
- submitting educational visit forms within Evolve to the Vice Principal (Operations)
- carrying out 3 monitoring sessions per year, which are then logged on Evolve.

Trip Leader

Has responsibility for

- providing a proposal (completed Appendix Ia) for a visit to SLT for approval

- following the steps in Appendix A, Trip Leader Checklist
- completing Evolve for final approval within the timeframe outlined below. For residential and high-risk visits Evolve must be completed at least 8 weeks before the visit. For day visits, Evolve must be completed at least 3 weeks in advance. In the case of unexpected visits and competitions there will be exceptions to this rule
- to ensure the visit is staffed and led in a safe manner, and according to the details supplied within Evolve
- where possible, following the agreed programme and risk assessments, whilst on the trip
- evaluating the visit and completing any relevant documentation after the visit has taken place.

Accompanying Staff/Volunteers

Have responsibility for:

- accepting delegated responsibilities by the trip leader, including responsibility for first aid, response in an emergency and child protection
- supporting the trip leader
- taking charge of an assigned group of pupils.

School Improvement Liverpool

Have responsibility for

- authorising submitted educational visits via Evolve
- supporting the college in the case of an emergency.

Inclusion

Liverpool College fully supports the availability of visits to all pupils and recognises that children with additional needs should not be excluded from a visit. In addition to the required staff/pupil ratio, a child with special educational needs or a disability may require additional supervision during on the visit.

Depending upon the nature of the condition, it may be necessary to complete a separate risk assessment, which should highlight any reasonable adjustments that are required.

The trip should be planned well in advance, and, if considered necessary, a pre-visit should be carried out.

Documented evidence, including the risk assessments will be stored on Evolve.

Discipline

- For residential visits, parents and pupils will be required to sign a Visit Behaviour Code of Conduct. (See Appendix B).
- Prior to the visit, the college reserves the right to remove a pupil from a list of participants, who has been suspended in the previous 12 months.
- Pupils will not be allowed on a visit if their behaviour is judged to be unacceptable and likely to disrupt the good order of the trip and/or poses a potential danger to themselves or to the group.

Finance/Insurance

- All charging contribution requested for visits are in line with National Guidance 3.2c <https://oeapng.info/about-national-guidance> .
- A pupil who is withdrawn from a school trip by the Principal for disciplinary reasons is liable to lose all monies concerned.
- Where a trip is not paid in full one week prior to the date of the activity, the college reserves the right to withdraw that pupil from the visit.
- If a pupil withdraws from the trip, the College will endeavour to find a replacement. If this is not possible, the pupil will lose their deposit and depending on the time of

withdrawal, may lose the full amount (if the College has paid an external agency). If at this stage the pupil is in arrears, they will be expected to pay the full amount.

- The cost of an additional adult (not in the college's employment) accompanying the trip (beyond those needed to meet the staff/pupil ratio) will be met either by the department or by the individual concerned.
- Pupils will be given the opportunity to pay in instalments via an agreed payment plan.
- The College will only ask for voluntary contributions towards the cost of educational visits within school time. For the trip to be classed to be within school time, the duration of the trip needs to be more than 50% within school hours. If voluntary contributions do not cover the total cost of the visit, the visit will unfortunately be cancelled.
- The voluntary contributions for pupils entitled to Pupil Premium for educational visits within school time will be met by the college.
- If a pupil is entitled to Pupil Premium, the college can only contribute to the cost of an out of school hours visit that is classed as educational. The College will contribute 50% of the cost of educational visit up to the value of £100. The College cannot contribute towards enrichment visits.
- For students entitled to Post 16 Bursary, the College can contribute 50% of the cost of a trip up to the value of £250.
- Pupils whose parents have any account within the college that is in deficit are not eligible for a place on a trip that is not classed as educational
- Liverpool College opts into the DfE Risk Protection Arrangement, which covers all insurance

Staff Training requirement

All staff will be given annual training that will be recorded on Evolve. Training will also be included in new staff induction.

Procedural Requirements

Trip leaders are required to follow the steps in the trip leader checklist (Appendix A), which outlines the necessary procedures.

During the visit the planned itinerary and relevant risk assessments are to be followed.

Supervision

The safe movement and care of children needs very specific supervision. Staffing ratios are dependent on many factors e.g. location, weather conditions, experience of staff, etc. The College will follow the LA recommendations for the ratio of staff to pupils.

The LA recommendations for minimum staffing levels for category A visits are as follows:

1:4	Reception
1:6	Years 1-3
1:10 – 1:15	Years 4-6
1:15	Years 7-13

The LA recommendations for minimum staffing levels for category B - D visits are as follows:

Reception	Better than 1:6
1:6	Years 1-3
1:10	Years 4-6
1:10	Years 7-13

Children with SEN may require additional adult support depending on their particular needs. Adults supporting individual children do not count in the ratio decisions.

It is desirable that one adult per party holds a current qualification in First Aid.

Supervising staff, with their own children on the visit, do not adversely affect the above ratio, however they are not permitted to bring their children on a visit that is unrelated to the child. Where possible specialist staff are required to lead a visit.

Monitoring

Monitoring will take place 3 times a year to cover all the trip categories. This will be conducted by either the EVC or a senior leader. Observations will be recorded on Evolve. Governors will be informed in advance of planned residential trips and informed of any accidents or near misses after trips have taken place.

Volunteers

Volunteers on residential visits will be required to have a clear Enhanced DBS.

An Enhanced DBS is not necessary for volunteers on the occasional day visit, but they must be always in the presence of college staff.

In certain circumstances volunteers who have relevant qualifications, experience and are deemed competent may act as trip leaders.

All volunteers will be issued with a code of conduct (appendix C), which they will be expected to sign and adhere to. They will also be given the relevant risk assessments and the appropriate teacher pack.

Volunteers should be reminded that photographs of the trip should not be placed on social media or passed onto other parents.

External Providers

When planning a trip that involves using external providers, trip leaders should follow National Guidelines <https://oeapng.info/about-national-guidance>. 4.4 F, G and H.

Where possible trip leaders should select external providers that have the 'Learning Outside the Classroom' quality badge. For providers who do not hold external accreditation, a provider statement should be completed. This is a pre-visit questionnaire, found on Evolve, to assist with gaining information to make an approval decision.

Parent/Carer Consent

Every year parents/carers are asked to provide written consent for visits/learning outside the classroom. This annual consent includes visits within category A and sporting fixtures. Additional written consent will be required for a visit that falls into categories B-D.

Pre-existing medical conditions and medication

- Accurate records of any participants who have a pre-existing medical condition or /and are taking medication must be gained/retained by the group leader.
- Any pre-existing medical conditions of either staff or pupils must be declared to the College who in turn, will inform the insurance company.
- Pupil medication that has been provided by parents must be in the original bottle / container, clearly labelled and contain enough medicine for the duration of the visit, and if appropriate, an additional 48 hour supply, in case of delays.
- It is essential that a member of staff, on the trip, discusses any pre-existing medical conditions, including their management, with a pupil and their parents prior to departure.
- On the visit, a record must be kept of any medicines administered by staff.
- For any pupil who is self-administering medicine, the trip leader must ensure a checking system is in place.
- If necessary, staff should receive EPI-PEN training prior to departure.

First aid

The College will provide a first aid kit and where appropriate a fully trained first aider will accompany the trip.

Minor injuries i.e. cuts, bruises or grazes needing no more than on-the-spot first-aid should be logged on the out of hours first aid proforma (Appendix D) and then sent to the relevant Chapter Administrator, who will upload onto 'Smartlog'.

If a pupil is referred to an external party for medical attention, the trip leader should inform the nominated, trip SLT member to discuss the matter at the earliest available opportunity.

From this point, the SLT member will take ownership of parental communication. The parents will be invited to contribute to decisions on the care of the pupil. If appropriate and possible, parents will be invited to liaise directly with medical staff to direct their child's care. If necessary and appropriate, they will be asked to collect or accompany the pupil home. The SLT member must inform Nicola Horton (School Improvement Liverpool) on 07921384785 who will, if necessary, give further advice.

Emergency Procedures

In the case of a significant incident/accident, staff members are to carry out their designated roles (see Appendix A). The trip leader must contact the nominated SLT member as soon as possible. From this point the SLT member will inform the Principal and will take ownership of communication with parents and relevant agencies.

The incident must be reported to Nicola Horton (School Improvement Liverpool) on 07921384785 and the City Council's Health and Safety Unit within 24 hours via the accident e-form. The link to this form is available the Health, Safety and Wellbeing web page of the Council's Intranet.

Risk Assessment and Risk Management

The trip leader is required to follow the safety precautions outlined in the risk assessments uploaded onto Evolve. On occasions, dynamic risk assessments can be employed to suit changing circumstances.

All overseas visits must follow British standard safety requirements for activities.

If a pupil on a visit has an individual risk assessment, the trip leader must ensure that the agreed control measures are observed.

Discipline on the Visit

It may be necessary for the trip leader to issue an appropriate sanction to a pupil who behaves poorly during the visit.

For a serious breach of discipline, the trip leader should inform the nominated trip SLT member. From this point, the SLT member will take ownership of parental communication. In the most extreme cases, a pupil may have to be repatriated back home, at his/her parents' expense.

Alcohol

It is acceptable for staff and volunteers on residential trips to consume a reasonable amount of alcohol. Staff members' alcohol consumption must not exceed 3 units in a 24-hour period. At all times there needs to be at least one nominated member of staff who does not consume alcohol in the 24-hour period.

Pupils of legal drinking age, according to the law of the location of the visit, can at the discretion of the trip leader, drink an indicated amount of alcohol, but should not be more than 3 units in a 24 hour period. Failure to follow the instructions of the trip leader will lead to disciplinary action.

Staff Smoking/Vaping

This must not be done in the presence or in the sight of children.

GDPR

The trip leader, accompanying staff and volunteers must carry the necessary pupils' personal data and should endeavour to keep this safe at all times.

The stages outlined below should be used when planning a visit

Initial planning

Action
Initial plans to be researched and proposal form IA (see below) is submitted to SLT with details of:

Trip Proposal Form (IA)
Please research and complete the details below. This information should then be copied and pasted to HLC by email.
Visit's aims and objectives
Proposed date, duration, locations
Pupil participants
Staff numbers and roles
Transport plans
Estimated costs to incorporate staff and pupils
Has an initial visit been carried to the location or venue? (Provide details)
Any further useful information
Date submitted to HLC:

SLT will consider proposal forms at their next available meeting. Approved visits can then move to the detailed planning stage as below.

Detailed Planning

Action	Tick when complete
Costings are confirmed and approved by Finance Director	

Complete the following financial procedures <ul style="list-style-type: none"> • set up payment plan with Finance team • arrange Parent Pay 	
Write parental letter to include agreed costings and/or wording for the payment of curricular trips.	
Advertise the trip with letters to parents and where relevant, to include consent.	
Collate participant list	
Meet with Vice Principal Operations and Inclusion Assistant Principal to approve participant list and to identify pupils with specific needs, who will need individual risk assessment	
Confirm bookings and arrangements with venue	
Confirm travel arrangements with relevant agencies	
Carry out the stages outlined in Evolve and complete the form within 8 weeks (for residential and hazardous activities). 3 weeks for low-risk visits. <ul style="list-style-type: none"> • Name of trip • Type • Purpose • Dates • Visit times • Venues/external providers • Travel arrangements • Staffing • Attendees • Risk Assessments (including agreed individual RAs) and hazard control methods. To include the use of headcounts. • Emergency procedure and emergency Home/School Contact • First Aid provision • Transport arrangements • Insurance arrangements • Group membership and staff supervision of the groups • Staffing details; relevant qualifications & experience • Contingency plans e.g. bad weather activities planned. 	
For residential trips, communicate regularly with parents/carers to confirm details and ensure any changes are conveyed in a timely manner	
Gather and list consent and medical information	
Trip Leaders to compile information packs to be given to accompanying staff and briefing meetings arranged where appropriate including medical requirements and recording paperwork for administering medicines	
Arrange a briefing meeting with parents and pupils (where appropriate). During this meeting pupils and parents to sign a Behaviour Code of Conduct	
Delegate roles to staff (eg first aid, person who contacts school/emergency services in case of an incident).	
Trip leaders must ensure all payments made and income received 2 weeks prior to commencement of trip. The Director of Finance and Trip Leader to agree the appropriate action taken ensure this payment is met before departure	

Order any currency required from Finance, 2 weeks prior to date of trip.	
Copies of the information pack and contact details must be given to Student Services, EVC and the member of SLT named as the main emergency contact.	
First Aid kit and school mobile phones collected from the office (and currency where applicable)	

On return

Action	Tick when complete
Ensure that all pupils are collected by parents/carers before staff leave	
Ensure the main emergency contact is notified of return as soon as all pupils have been collected	
Return unused currency, mobile phones, First Aid Kit to appropriate office	
After the trip, injuries or accidents to be reported to EVC for recording on 'Smartlog' and if necessary, the LA	
Report any near misses to the EVC	
Where appropriate, make any insurance claims and reclaim any insurance deposits held	
Hand all receipts relating to trip expenses into Finance to enable final financial reconciliation of trip, to be completed within 2 weeks	
Complete 'evaluation of trip' on Evolve including any 'near misses' (for future learning purposes	
Follow up actions as required to any student behaviour issues	

Appendix B – Behaviour Code of Conduct

ALL TRIPS:

Your son or daughter must help our staff to look after their safety by listening carefully to instructions, doing what they are asked to do and by not being reckless by trying to do more or acting alternately to their briefing. You should only provide your consent if you are confident that your son or daughter will behave responsibly and appropriately.

I understand that a high standard of behaviour is required at all times and normal College rules will apply. This includes:

- Obeying instructions from teachers and leaders without delay or question at all times.
- Refraining from the use of profanity or negative language throughout the trip.
- Not taking or participating in the purchase or use of drugs, alcohol, and/or tobacco. These are strictly forbidden and will result in a pupil being sent home from the trip.
- Never intimidating or bullying any other pupil. Any intimidation or perceived bullying towards other pupils will be dealt with immediately.

I agree to my son/daughter taking part in training and/or expeditions with Liverpool College CCF and consultant staff.

I understand and agree to the supervision and camping arrangements as far as has been reasonably set out in the information received

I agree that she/he is fit enough to take part in the activities and that they may be physically and emotionally demanding

I acknowledge the need for responsible behaviour on my/ his/her part and any rules and instructions will be obeyed

I undertake to inform staff as soon as possible of any change in the medical circumstances between the date the medical form was signed and up to the end of any training and/or expedition

I understand that the supervising staff will be acting in loco parentis to give authority to medical or other authorised personnel to carry out medical treatment and/or procedures as may be required in an emergency.

I understand that the participant is responsible for the safe custody of their personal belongings and that the school cannot be held responsible for replacing any such personal belongings that are lost damaged or stolen or for compensation of any kind.

I understand and accept the above statements.

Pupils who are unreasonable in any respect can, at the discretion of staff, expect to face an activity ban and may not take part in further activities. Parents will be notified by telephone ASAP if their son or daughter breaches any of points above. In extreme cases in which a pupil's behaviour is deemed unacceptable by staff they will be sent home, with parents having to collect or pay for the cost of the transport.

To be signed by the Parent/Guardian/Carer and participant:

Signature of participant:		Date:	/ /
----------------------------------	--	--------------	-----

Signature of parent/carers:		Date:	/ /
------------------------------------	--	--------------	-----

Relationship with participant (if applicable):	
---	--

Appendix C – Volunteers Code of Conduct

You should always:

- Accept and follow directions from the teacher in charge
- Seek guidance through clarification where you may be uncertain of tasks or requirements
- Observe the high standards of behaviour and ethical conduct mandated by the College and any Code of Conducts issued by other involved parties – e.g. from staff at a planned venue
- Respect other volunteers, members of staff and pupils, and make them feel valued.
- Be approachable, pleasant and be a positive role model for pupils
- Treat all children and members of staff equally
- Report any incident of poor behaviour to the teacher in charge immediately.
- Dress appropriately and behave in a manner that promotes healthy and safe trip/event practices.
- Report to any potential hazard to the teacher in charge.

You should never:

- Tell a child off. As a volunteer, you are not expected to discipline children. If there are any problems, tell the teacher in charge straight away and he or she will deal appropriately with the situation
- Give or receive gifts. This includes buying gifts/items for pupils from a gift shop during a school trip or at an event (unless the child is your own and only if it is part of the trip/event itinerary).
- Use your Mobile Phone during the trip, unless by arrangement with the teacher in charge or in case of an emergency. Do not allow children to use your mobile phone (including your own child)
- Take photographs without the prior permission of the teacher in charge
- Swear or use inappropriate language or gestures
- Shout, hit, threaten or manhandle a child
- Discriminate favourably or unfavourably towards any child
- Volunteer to work with children when you are not in the proper physical or emotional state to do so. For example: under medication which makes you drowsy, or under extreme stress which may impair your judgement
- Develop 'personal' inappropriate or sexual relationships with pupils
- Behave in an illegal, improper or unsafe manner. E.g: smoking or drinking alcohol
- Behave inappropriately this includes jokes or remarks of a sexual, racial, intimidating, discriminatory or offensive nature
- Share your personal contact details with pupils or make personal arrangements to meet children outside school. This includes all social media, e.g. Facebook and Instagram
- Behave in a manner which may bring the school into disrepute when representing the College

Safeguarding and Health & Safety

- Unless you have a Disclosure and Barring Service (DBS) enhanced check, you should not be left alone with children in your care. Volunteers with a DBS must bring the original certificate to school. This is standard practice for anyone in regular contact and/or in a position of trust with children. Any criminal convictions must be declared. The minimum age at which someone can be asked to apply for a DBS check is 16 years old.
- The teacher in charge will make you aware of any relevant risk assessments, emergency procedures and safety aspects

- Any potential hazard that you feel might put people at risk of injury or harm must be reported straight
- In line with the General Data Protection Regulations 2018, please return any lists containing details of pupils or adults to teachers at the end of the trip.
- Volunteers are not permitted to discuss children's or staff member's information or issues with other professionals in the college or outside of college with other parents/guardians or the wider community. Volunteers who break this confidentiality rule will be unable to volunteer again.
- There may be instances where volunteers MUST pass information to the teacher in charge. These include incidents where a child discloses he/she is being harmed or is upset in any way. Volunteers are advised not to report this to the child's parents/guardians but to inform the teacher in charge immediately.

Internet use and social networking

- Volunteers are expected to adhere to the schools e-safety policy and behave in an ethical and lawful manner with regard to the use of the internet
- Care and attention should be taken while using social networking sites. Use of these sites should not involve communication regarding your volunteering at this College or any activities which may bring the College into disrepute and/or may cause us to question your suitability to volunteer with children
- Volunteers must not attempt to contact pupils or staff via social media or email, or make arrangements to meet outside of school
- Photography or video film is not permitted by volunteers unless specifically requested by the teacher in charge.

Equal Opportunities

- We do not tolerate discrimination on the grounds of age, disability, race, ethnic background, colour, religion, gender, sexual orientation or marital, social or financial status
- Our College promotes the values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs. All volunteers are required to make a commitment to these policies and treat everyone with respect at all times.

Appendix D FIRST AID PROFORMA

Visit/Sporting accident recording procedure

1 Accident Details

Student's name:	Age:	DOB	Sex: M / F
Student's home address:		Tel no.:	
Date and time of accident:		Class:	No. in class:
Member of staff in charge:		Other adults present in lesson:	
Type of lesson/fixture			
Nature of injury:			
Location:			
Other persons involved Names of any school staff sent to assist at the scene of the accident:			
Name of person who carried out emergency aid:			
Names of witnesses – indicate both adults and students:			
Name of person who contacted:			

• ambulance service:
• student's parents:

3 Follow-up Procedures	Date:
-------------------------------	-------

Completion of College's accident report form

- Form completed by:
- Date forwarded to college

Compliance with the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 2013 (RIDDOR) requires that, for students and visitors in schools, only certain accidents need to be reported to the HSE. They are those accidents that result in:

- the death of a person, where the accident arose out of or in connection with a work activity
- an injury that arose out of or in connection with a work activity where the person was taken directly to hospital for treatment.

Risk assessment

- Risk assessment of the lesson/session reviewed by:
- Date carried out:
- Was a change to procedures Yes No recommended?
(Circle appropriate response)
- What was the nature of the change(s)?

- When and how were these changes implemented?

Contact with parents

- Who contacted parents to ascertain student's progress?
- How soon after the accident was contact made?
- Brief details of information received:

Student's return to school

- Date of return to school:
- Date of restart of physical education:

Any restrictions on student's involvement in physical education laid down by medical profession:

Form completed by:

Signed:

Date:

Note: Schools may choose to attach additional information to this form (eg witness statements, risk assessment form covering activity, photocopy of register covering the four weeks prior to the accident).
