Year 1 Football

Well done to Cassius, Blake, George, Xavier, Eden, Nate, Luca and Lincoln

Year 1 attended a football tournament on Thursday 12th October and did extremely well.

They Won the tournament scoring 16 goals and only conceding 1
6 wins and 1 draw

A very tense semi final against Runnymede ending in 1-1 after being 1-0. Winning the penalty shootout 3-2 with goals from George, Luca, and Cassius as well as a save from goalkeeper Xavier.

1-0 in the final with a goal from Luca against Much Woolton, all players represented the school brilliantly and played fantastic. This win has qualified them for another tournament later in the year at Liverpool academy.

Congratulations to Cassius 1P for receiving his football trophy

Well done to Max D 5P for receiving his trophies for winning the Lancashire Championship singles and doubles in Tennis

October is National Poetry Month!

To celebrate National Poetry Month, we would love to share some examples of your poetry in the newsletter and during celebration assemblies. If you write any poetry over the next few weeks, please email it

to jfinnegan@liverpoolcollege.org.uk

We would love to celebrate our budding poets!

Well done Prep you never fail to impress! A huge thank you to all the children for making such an effort to be rockstars today. We have had some fantastic 'Rock Star' outfits.

Thank you for the £1 donations; we hope the children can use their login details to have a go on the times table rockstar app over the weekend. Good luck!

Don't forget to download the app and get playing your timetables rockstars!!!

Reception Family Friday

A huge thank you to all the parents/carers who attended our first Family Friday Session. The children were all delighted to welcome their grown-ups and show them their classroom. Please check See-Saw for the next Family Friday date in November.

love the journey

Chapter 1

In Chapter 1 the children have been finding out about Rosa Parks and 1Q created art work in the style of Kara Walker for Black History Month. Chapter 1P have enjoyed their first ukelele lesson with Mr Jones. Chapter 1R have **been** learning 'You've got a friend in me' in Makaton.

Chapter 2

All of Chapter 2's hard work and learning culminated in a joyful Harvest Festival on Wednesday where we shared our thanks for the food we have. The House Captains' first duty in their new roles was to present the baskets full of generous donations for local food banks during the service. They represented their houses and Pre Prep wonderfully! We hope that all the parents and carers who came to share our Harvest celebration enjoyed it as much as we did. Well done to all the children in Year 2 for their sensible behaviour, marvellous singing and beautiful art work for our leaf display.

Chapter 3

In year 3, 'THINK' time focussed on 'Thank you'. The children have had lots of fun designing and making thank you cards for school staff who do not receive the recognition they deserve. The children then delivered these thank you notes, along with a chocolate treat, to show their appreciation for everything they do for our school! In dragons' den, the penultimate week saw the children finishing off their work and preparing for their final presentation this week. There are some great videos of children's Dragons' Den on YouTube the children could watch at home too!

Chapter 4

In our LC+ sessions this week, we began by talking about our worries and things that make us anxious. We then talked about how practising mindfulness can help with this, then took part in a 'Worries Campfire' where we were encouraged to contextualise our worries, and throw some of them onto the 'fire' in our minds. In Money & Me, we began to look at how prices change because of the interest rates set by the Bank of England. We are budgeting for buying (pretend!) sweets this week, but each day the prices may change depending on what we hear in the news! In Get Creative, we made some animals/creatures out of modelling clay. We had an excellent time making these, even if some were quite hard to recognise! In PSHE, we role played different scenarios from school life and discussed the rewards/consequences that could come with them!

Chapter 5

We are now less than a week away from our ESB assessment, which is next Wednesday.

We have had the chance to hear some more hilarious poems, as well as learning a lot about people's achievements and things that they have made when they shared their presentations. This has included but has not been limited to a number of sporting and musical successes, as well as some really subject specific knowledge the children have!

It's been wonderful to see their confidence grow this week, through reciting their poems, reading aloud and sharing presentations. However, the main joy for the teachers this week has been seeing the children's confidence flourish! Some children, who may have previously avoid reading aloud in class, are now performing with confidence in front of their peers, as well as a smile on their face!

Chapter 6

In Chapter 6 this week, class 6P began their swimming lessons. There was a lot of excitement as they had been looking forward to it since the start of the term. Class 6R began their restorative thinking lessons with Ms Morgan. We're looking forward to seeing how they progress with that over the next few weeks. In addition to this, they are also working on their class assembly which they will be delivering next week.

Finally, 6Q have continued their dance lesson with Mrs Whitehouse. It is really starting to come together and hopefully they will be performing it at some point over the next few weeks..

Sports Report

Last Thursday, our Year 4 boys' football team had their first game of the season against our good friends from Monksdown. You wouldn't have believed it was their first game though, they were outstanding. Every player played brilliantly, and their teamwork was a sight to behold. Goals from Lucas J, Charlie B, Jacob Q and Noah H-R saw us win the game 7-1, with Noah also picking up player of the game award for a relentless work ethic. I can't wait to work with this team again!

On Tuesday, it was the turn of our Year 4 Girls' football team in their LSSP tournament. We travelled to Tiber to play in one big league, so it meant lots of game time for our players! The girls showed brilliant skill, and bravery, in all of their games. Eight teams competed, two of which were very strong and too strong for us and everyone else! However, we came a very respectable third place, winning all of our other games. Nearly every girl in the squad got on the scoresheet on the day, most notably was our excellent goalkeeper Seren M, who beat her opponent during 'Goalie Wars' and won us the game at the last minute!

Cross Country was sadly cancelled this week, but well done to all of our team who qualified during the trials on Monday. It was great to see a few new faces! Next week, we will (weather-permitting) have two races!

Another great performance from all the teams that are currently taking part in our mini netball league here at Liverpool College. On Thursday, Liverpool College Red Team played against the Liverpool College Black Team. All players put 100% into their match and displayed excellent teamwork. The match resulted in Reds winning 5 - 1. We are looking forward to playing again next week!

However, our sporting stars of the week are definitely are Year 1 footballers, who were crowned champions of their LSSP competition on Thursday! Mr Rogerson reports:

Won the tournament scoring 16 goals and only conceding 1

6 wins and 1 draw

A very tense semi final against Runnymede ending in 1-1 after being 1-0. Winning the penalty shootout 3-2 with goals from George, Luca, and Cassius as well as a save from goalkeeper Xavier.

1-0 in the final with a goal from Luca against Much Woolton, all players represented the school brilliantly and played fantastic. This win has qualified them for another tournament later in the year at Liverpool academy.
