

## An Update from the PTA

We are so pleased to announce that our Halloween discos and our fireworks event were spectacular successes and have raised a lot of much needed money for our school PTA. This means that we can fund requests from the staff and provide even more opportunities for our children. It was so good to be able to bring these events back after Covid and seeing the children smiling and having fun was worth all the stresses of organising such massive events!

The Halloween discos were spooktacular and the children had some brilliant (and scary) costumes and make up! Well done to our best costume winners- it was a hard choice!!

The fireworks event was our first full school event since the pandemic, and it was so good to have it back on our calendar!

From Tombola to bouncy castles, and businesses from across Liverpool who held a stall here.

The fireworks began and the cheers of children could be heard throughout the fields. You can view the spectacular display on YouTube here:

On behalf of Heather (secretary), Tim (treasurer) and myself, we would like to thank you immensely for all your support over the past few weeks.

There was a MASSIVE team effort from the whole school to help the PTA execute these events. The staff and volunteers have worked tirelessly, and we really couldn't have done it without them. We also thank all of you for supporting our events and for supporting us. We volunteer our time and put so much effort into putting these events on, and we really do appreciate all the lovely comments we've been hearing since the events.

Our next WHOLE school event is the Christmas market on Saturday 26th November (get the date in your diary!!) - stalls are now sold out.
