Dear Major Pickett,

I was delighted to learn that Richard had now received his DofE Gold Award. Thank you for sending the book and badge to his home.

I want to thank you and all your team at the College for the amount of work you put into the fun which my sons, Edward and Richard, had in obtaining their Bronze, Silver and Gold awards. (I only wish I had had the opportunity to have done the same when I was at school!)

I do hope I will have the opportunity of seeing you again at St. James' Palace in the near future.

Again, many thanks.

Yours sincerely,

John B. Ridyard.
