

Liverpool College

Principal's Newsletter

26 March 2010

Dear Parents,

The last day of term is a combination of frantic energy, as we follow a different schedule, and eager anticipation. We have successfully made the trek to Mossley Hill Parish Church for our Lent Term service. Then, straight to the Palm House to see many of our winners in the Liverpool Speech and Drama and Music festivals perform. No time to pause, to the Sports Hall for the award and honours assembly. Even after the assembly, life at the College goes on. Our First XI is playing the OLs as I write.

One person we honoured especially today at our assembly is Mr Mike Hanlon. Mr Hanlon has been a porter at the College for 27 years and is beginning a well deserved retirement. I marvel at all the things he has seen and experienced and the stories he could tell. Porters know schools very well. We thank him for his years of loyal service.

This is also the last term of Mr Andrew Forbes, a Spanish and French teacher covering Ms Hamilton's maternity leave. Mr Forbes has made an immediate and very positive impression, and we thank him for his service.

I have attached herewith the first copy of our College Scientist magazine. It is also available on the website.

The Easter holidays are a time when candidates for public examinations must prepare and revise. Teachers at the College have organized an extensive programme of revision sessions. The programme can be found on our website [here](#).

The [Parents' Society](#) is looking for donated raffle prizes for the May Ball. The Society is also putting a programme together for the event. Parents may wish to donate or advertise in the programme. Please contact Mrs Jane Hawkins or Mrs Suzanne Davidson.

We can celebrate much progress this term. We began with unprecedented ice and snow, we end in sunshine and birdsong. Over Easter, our pupils are on a Duke of Edinburgh expedition in the Lakes and at an RAF CCF camp in Germany. We will be beginning work on our dining room and preparing the site for the summer.

May I wish you and your family a peaceful and restful Easter holidays.

Yours sincerely,

Hans van Mourik Broekman
Principal
