Liverpool College

Remote Learning Schedule Summer Term 2020

Years 7 and 8

For Years 7 and 8 there is an expectation that every pupil completes three hours' worth of learning per day. The learning schedule below roughly reflects the proportion of curriculum time per subject in Years 7 and 8. Where there are two subjects in a slot e.g. Music / Art then the week commencing 20th April is the first subject e.g. Music and week commencing 27th April is the second e.g. Art.

	Monday	Tuesday	Wednesday	Thursday	Friday
1	English	DT / IT	Maths	Geography	Maths
2	Maths	Spanish	English	Music / Art	Science
3	Science	History	Science	Classics / Latin	English

Year 9

For Year 9 there is an expectation that every pupil completes three hours' worth of learning per day. All pupils are to complete tasks for English, Maths and the three Sciences. For other subjects Year 9 students are expected to complete mandatory curriculum work in the subjects that they have opted for at GCSE. This is an attempt to manage workload and focus on the most significant subjects for your son/ daughter.

Subjects that are not studied in KS3, including Retail Business, Academic PE, ICT(BTEC) will not be setting work for current Y9 pupils until at least September 2020.

Pupils should receive an email by Friday 24th April 2020 reminding them of the subjects that they have chosen to study at GCSE from September 2020.

	Monday	Tuesday	Wednesday	Thursday	Friday
1	English	Classics / Latin	Maths	Spanish	Maths
2	Maths	Spanish	English	Music / Art / IT / DT	Physics
3	Biology	Geography	Chemistry	History	English

Year 10

As you will be aware, Year 10 is a key year to ensure continuity of learning during their GCSE courses. The expectation for this year group is for up to four hours' worth of compulsory learning per day. The learning schedule below is designed around the option blocks – pupils are not expected to complete more than four subjects or four hours of learning per day.

	Monday	**Tuesday**	**Wednesday**	**Thursday**	**Friday**
1	Maths	Art Music Spanish	Physics	Biology	English
2	English	English	Art Music Spanish	Chemistry	Physics
3	Biology	Chemistry	Maths	Geography PE Retail Business	Drama History IT Comp Stud
4	Drama History IT Comp Stud	Classics Latin DT	Geography PE Retail Business	Maths	Classics Latin DT

Year 12

As with Year 10, Year 12 is a key year to ensure continuity of learning during their Key Stage 5 courses. There is an expectation for this year group of at least four hours of learning per day.

The student learning schedule below represents ALL subjects – students would not be studying all these every day.

	Monday	**Tuesday**	**Wednesday**	**Thursday**	**Friday**
