Welcome to our new Reception Children

Hometime Pick Up

Reception Parents

At home time please pick your child up from the outside door of their Reception class room.

Years 1 and 2

Year 1 children will come out of school at 3.20pm – could all Year 1 Parents please stand at the front of the playground where we collect the children, and when you have collected your child please **leave the premises STRAIGHT AWAY**

Year 2 children will come out of school at 3.30pm. When Year 1 children have been collected and left the premises could year 2 parents please collect your child and then **leave the premises STRAIGHT AWAY**

When it is raining at the end of school day please collect your child from the main Reception, but PLEASE keep the covered area clear so that staff can see parents/carers when they collect their child.

If year 1 parents/carers can stand at the front and leave the premises straight away and year 2 parents/carers stay at the back until all year 1 children have left. When year 2 children have been collected could all parents/carers please leave the premises as soon as possible.

Morning Drop Off

As children are now settled into the morning routine could Y1 and Y2 parents allow their children to walk in from the main gate, and Reception parents please leave the children at the inner gate. Please do not wait by the gates/ fence when you drop the children off as this upsets some children and can cause an obstruction when we are bringing children into school.
Thank you
