

Happy Birthday to:
Darcy R1, Harry 2P and
Sharvin R2

Big LEGO® Brick Hospital

A replica hospital, made entirely from LEGO® bricks and one of the largest constructions of its kind in the UK, has been visiting Liverpool College this week.

The Clatterbridge Cancer Charity has commissioned the Big LEGO® Brick Hospital, which will consist of half a million LEGO® bricks, to raise money for a new specialist centre, currently under construction in Liverpool city centre.

Members of the public are being asked to buy a brick for a £1 donation for the fundraising campaign, which aims to raise £500,000.

If you would like to donate money to this good cause we have a "Just Giving Page" the link is <https://www.justgiving.com/fundraising/liverpool-college>

If you need to sign in then the email is your email address and the password is **Liverpool**

Important Information for Reception and Year 1 Parents-

After School Club

An After School Request Form has been sent home with your child on Wednesday 15th May. If you would like your child to attend After School in September, please complete this form and return to Mrs Fraser **no later than Wednesday 22nd May**. Places are limited so please return your form as soon as possible. **Any request forms received after this date may lead to disappointment as After School is presently oversubscribed.**

Walk to School Week

Walk to School week is
Monday 20th - 24th May.
Why not walk to school all week?

"May" is Living Streets' National Walking Month, and as part of our #nine90 campaign, we're calling for streets to be designed with **nine-year olds and 90-year olds in mind** – with safe and clear pavements, slower speeds and effective crossings.

[Watch our ambassador Kate Humble's video inviting you to walk this May.](#)

Drama Summer Camp

If you would like your child to attend Drama during the Summer Holidays please see flyer below

Reception News

This week in Reception we have been continuing to look at addition and subtraction within 20, counting on and backwards using our heads, number lines and bead strings.

In literacy, we have been writing our own stories of the "Three little Pigs" which are absolutely fantastic. We have been learning lots about traditional tales and are enjoying reading them over this half term.

Reception One are currently in the process of making their very own book (More information to follow oh the suspense!)

Reception 2 are having a fantastic time in their weekly drumming lessons, and their skills are really developing!

Reception 3 are really enjoying their turn at Forest School, they are enjoying their time around the camp fire and know exactly how to keep safe whilst toasting their marshmallows.

Each week in the Newsletter we will be sharing a piece of writing from each year group.

This week we have a piece of writing from Danny R2

"I wish my baby brother went in my bunk beds. I love my brand new baby brother and my brother is called baby Luca"

Important Notice

If you have changed your mobile number, email address or moved house could you please let Mrs Fraser know as soon as possible so that our records are up to date. Thank you

Gardening

The Pre Prep and Prep children had fun on Monday 13th May helping Mrs Lewis and Mrs Boyle plant seeds, which will grow into a wild flower garden in front of Pre Prep fence.

Tooth Fairy News

Bella 2P and Jason 2P both lost a tooth while in school this week and both had a visit from the Tooth Fairy.

Sports Day

Reception - Year 2 Sports Day will take place on **Wednesday 26th June** on the **Prep School Playing field**

Reception classes 1pm-2pm

Years 1 + 2 2pm-3pm

Head lice

There have been a few cases of "Head Lice" reported. Can parents/guardians please check their child's head regularly. This comb has been recommended by some parents. Please see attached to this newsletter, information on Head lice

Threadworm

There have been a few cases of Threadworm reported in school. Could all parents/guardians please ensure their child washes their hands at all times and encourage their child not to lick their fingers or hands. This is highly contagious and if your child is affected the whole family has to be treated with medication.

RUN FOR LIFE 

Race for Life

Race For Life Sponsor Forms

Pre-Prep school Race for Life is **Wednesday 22nd May**. Sponsor forms were given out last week for those wishing to be sponsored for the event. Prizes will be awarded for those raising the most money in every year group, which will be awarded on Friday 7th June. Where possible, could sponsor money please be handed in by FRIDAY 24th MAY (in a sealed, named envelope please)- directly to the school office.

Tennis Summer Camp

If you would like your child to attend Tennis Summer Camp there is a Junior Open Day on Saturday 18th May 1pm – 3pm.

East Wavertree Summer Camps

Junior Open Day—Saturday 18th May 1-3pm

May Half Term:
Tuesday 28th May—Friday 31st May

Summer Camps:
Monday 12th—Friday 16th August
Monday—19th—Friday 23rd August

Prices:

Whole Day:	Half Day:
£11—members	£6 members
£13—non-members	£7 non-members

Come along to the best outdoor summer camps in Liverpool.

Drop off from 09:00am and pick up 15:00—15:30.

A morning packed with tennis, followed by an afternoon of multi-sport activities.

All our camps are run by fully qualified LTA Tennis Coaches.

Please contact Club Coach—Keely O'Keeffe to book /enquire:

PUPIL NEWS

- **Congratulations** to Sophia R1 for receiving her Swimming certificate
- **Well done** to Ava 1P for receiving her certificate for Dance
- **Congratulations** to Mason 2P for receiving a place at the Liverpool Football Club Academy.
- **Well done** to Mason 2P for receiving his Football Trophy for winning the final tournament.
- **Congratulations** to Mabel for receiving her gymnastic Medal
- **Well done** to Cherry 1P and Alannah 1Q for receiving their medal for running in the 1K Spring run

House of the Week **Squirrel**

Weekly Attendance
Week beginning
Monday 13th May 2019 School
Target is 97%

Class	Attendance	
R1	98.9 %	😊
R2	96.3%	🙄
R3	97.0%	😊
1P	99.3%	😊
1Q	95.6%	🙄
1R	99.3%	😊
2P	98.5%	😊
2Q	95.9%	🙄

**Congratulations to Class 1P and 1R for
99.3% Attendance**

Dates for your Diary

24 th May	School Finishes for Whit
3 rd June	Children back to school
19 th June	Y1 trip to Knowsley Safari Park information to follow
26 th June	Pre Prep Sports Day
4 th July	Reception Fun Day (Information to follow)
5 th July	Y2 Trip to Delamere Forest information to follow
9 th July	Y2 Leavers Assembly
10 th July	School finishes for Summer

Springtime Soiree at Mosseley Hill Church on Thursday 16th May 2019

Congratulations to everyone who performed in the Springtime Soiree. We had a great music making day in Mossley Hill Church and the Prep School really shone! We had renditions from The Preplings, Glee and 34 budding guitarists! We are extremely proud of everyone's performances and hope you have a well deserved rest!

NO BPM OR CHOIR NEXT WEEK – only the children going on the BARCELONA tour need to attend a Tour rehearsal on Tuesday 4 – 4pm. Malaya Sheen, Neha Jalota, Kevin Meyer Lopez, Roisin Henry, Dareice Williams

Families are so busy these days that spending quality time with your child is sometimes difficult. Spending time with your child encourages them to be more independent and learn so much.

This Week why not turn off the television, I-Pad, Mobile phone and do an activity with your child. Why don't you

Make some biscuits ummm

G. Gannon Head of Pre-Prep

Head lice - Treating head lice

Head lice can be difficult to treat due to the time-consuming and precise nature of treatment and high re-infestation rate.

In the past, traditional insecticides were used to treat head lice infestations but head lice would often develop resistance to them.

Therefore, these types of treatments have virtually been replaced with silicone and oil-based preparations which have a physical rather than a chemical action on lice.

After a head lice infestation has been confirmed you can treat the lice at home by wet combing the hair with a head lice comb or by using a lotion or spray that's designed to kill head lice (see below). However, neither will protect against re-infestation if head-to-head contact is made with someone with head lice during the treatment period.

Wet combing

The wet combing method involves removing the head lice by systematically combing the hair using a special fine-toothed comb.

The comb's teeth should be spaced 0.2-0.3mm apart. Lice can be crushed or trapped between the teeth of nit combs with a tooth spacing of less than 0.19mm and remain unseen.

You can buy a fine-toothed comb from your local pharmacy or you can order one online.

Lotions or sprays don't need to be used for wet combing. However, to be effective, wet combing needs to be carried out regularly and thoroughly. The method you should use is described below.

- Wash the hair using ordinary shampoo and apply plenty of conditioner, before using a wide-toothed comb to straighten and untangle the hair.
- Once the comb moves freely through the hair without dragging, switch to the louse detection comb. Make sure the teeth of the comb slot into the hair at the roots, with the bevel-edge of the teeth lightly touching the scalp.
- Draw the comb down to the ends of the hair with every stroke, and check the comb for lice.
- Remove lice by wiping or rinsing the comb.
- Work methodically through the hair, section by section, so that the whole head is combed through.
- Rinse out conditioner and repeat the combing procedure.
- Repeat the procedure on days three, six, nine, 12 and 15, so that you clear young lice as they hatch, before they have time to reach maturity.

How long it will take to comb your child's hair will depend on the type of hair they have and its length. For example, short, straight hair can be quickly prepared and can be fine-toothed combed in a few minutes. Longer, curlier hair will take longer to comb.

Lotion or sprays

Using a lotion or spray is an alternative method of treating head lice. However, to be effective they need to be used correctly. Your pharmacist will be able to recommend an over-the-counter lotion or spray and advise you about how to use it correctly.

A lotion or spray should only be used if a living (moving) head louse is found. Crème rinses and shampoos aren't thought to be effective and therefore aren't recommended.

Ensure you have enough lotion or spray to treat everyone in your family who's affected. Use enough to coat the scalp and the length of the hair during each application.

Follow the instructions that come with the lotion or spray when applying it. Depending on the product you're using, the length of time it will need to be left on the head may vary from 10 minutes to eight hours.

The normal advice is to treat the hair and repeat the treatment after seven days. Some products also supply a comb for removing dead lice and eggs.

Some products may be capable of killing eggs as well as lice, although there's no certainty of this. Check for baby lice hatching from eggs three to five days after using a product and again 10-12 days afterwards.

At least two applications of lotion are needed to kill lice over the hatching period because the lotions don't always kill louse eggs.

If the lice appear unaffected by the product, or if the problem persists, seek advice from your school nurse, health visitor, pharmacist or GP.

Cautions

Always read the instructions on the pack or leaflet that comes with a head lice treatment, particularly in relation to the following groups:

- **young babies (under six months old)**
- **pregnant women**
- **people with asthma or allergies**

If you're still unsure, seek advice from a healthcare professional before using the product.
