Radio City Toy Appeal

A big thank you from Radio City for your very generous donations for the Toy Appeal. Courage the Cat came to pick up these toys on Friday 29th November. They will be passed to Father Christmas to give to the children so they have something to open on Christmas morning.

All toys donated go directly to children in the Merseyside area – Radio City are grateful for all donations and your gifts will be thankfully received by Social Services and more importantly by, children who would otherwise go without. If you would still like to donate a toy to the appeal you can take your present to the Radio City Tower.

Year 2 Trip to Bridge Chapel

The children all enjoyed their Christmas Journey at Bridge Chapel. First they visited Mary in her home just as Angel Gabriel visited her and tasted some of the bread she had been making. Then they dressed up as shepherds and saw Angel Gabriel on the hillside. In the stable they saw Mary, Joseph and baby Jesus as well as some very funny animals. Finally they heard about the gifts the wise men gave baby Jesus.

Notice to All Parents/Carers

As you are all aware we have had an outbreak of the Norovirus in Pre-Prep. This has been reported to Public Health England. If your child does have a tummy upset, they must your child away from school for 48 hours after the last bout of V&D

Year 1 News

Maths: Year 1 have been looking at addition and subtraction using the “Make ten” strategy. Children have been looking at number bonds to ten and how they help to solve addition and subtraction equations.

DT: Children have enjoyed making their houses this week using recycled materials. Children have made the exterior of houses using various tools to join materials together. They used a range of materials to make the interior of their house, including lollipop sticks, pipe cleaners, tissue paper, cardboard and muffin cases. Children have also made beds, couches, tables, chairs and picture frames for their houses.

Forest School: Year 1 had a wonderful time at their first Forest School session in connection with Liverpool John Moores University.

They spent an hour exploring the forest and collecting lots of beautiful natural items whilst taking part in a scavenger hunt. At the end of the session, the children were delighted to learn how to approach the fire pit safely so that they could roast their own marshmallows on the fire –

Families are so busy these days that spending quality time with your child is sometimes difficult. Spending time with your child encourages them to be more independent and learn so much.

This Week why not turn off the television, mobile and iPad and

Show your child how to peel potatoes?
