## Easter News

We hope you had an enjoyable Easter. Thank you to all the children who have made lovely Easter Bonnets and sent photographs of them and also all your lovely craft work.

Joseph R2 enjoyed colouring and making an Easter chick.

Pearl 2R has been busy baking cookies. Pearl loved weighing out the ingredients and having to work out how much more of the ingredients were required if she wanted to make double the quantity. Then when they were baked Pearl worked out how many cookies mum, dad, her sister and of course Pearl could eat. Yum yum!

Sophia R1 baked chocolate Easter cakes with her sister

Pearl 2R and her sister took part in a scavenger hunt finding items in their own homes, with Charlie & Max 1R, who are Pearl's neighbours. They were also set problem solving quests and maths while still keeping to the social distancing rules. Fun had by all!

# Notice to All Parents/Carers

From Friday 24<sup>th</sup> April, your child's work will be uploaded on to the "See-Saw" App. You were sent a Groupcall informing you of how to download the "app" and how to access your child's code.

Your child's teacher will upload work on to See-saw on Friday for you to engage in and complete by the following Friday. There will be Maths, English and topic activities. Try and do as much as you can but there is no expectation that you will do everything..

Please be aware staff will only respond to emails/ Seesaw notifications during school hours **9.00am – 3.30pm.** Please allow up to 24 hours for a response as staff may be working in the Hub, have their own children to educate and look after, or ill themselves.
