Dear families

I have provided copies of messages sent to year 13 students this week as we head towards a period of exams. In school there is a positive working atmosphere and I hope that the students can see light at the end of the tunnel. I am sure it will dawn on them soon that there are now no more than six weeks left of their time with us and we will be sad to see them leave. To help raise spirits we have arranged a couple of celebration events as outlined in the attachment. As part of the Prom event on Thursday 24th June there will be a drinks reception to which parents are invited and I hope that many of you will be able to join us at the Royal Liver Building for what we hope will be a fitting way for them to end their school career.

Best wishes

NW Griffith
