Music News

On Monday
Chapters 5
and 6
welcomed
a touring
Jazz Band

Gregory's
School in Argentina!!!

The visiting school are on a Music and Sports tour of the UK and we were privileged to be able to hear such high quality music from a school from across the pond!

The children enjoyed an hour-long concert that featured a wide range of musical styles from South America. It was such a great experience to see and hear live music and in true LC spirit our children were a wonderfully engaged audience - dancing and clapping along!

ADVANCED NOTICE

On **Wednesday 24th September** Miss Clark and Ms Paiano will host an 'How to help your child practice at home' session. This is open to anyone who's child has instrumental and/or singing lessons and wishes to develop strategies to support progress and practice at home.

Following on from last year's redesign of instrumental lesson structure we would like to develop communication between school and home with your child's instrumental practice and progress. At this session we will look at strategies to support practice, instrument specific language used and examples of practice diaries and 'practice notes' you may receive from our instrumental staff. If you have any questions regarding instruments, musical language or practice motivation you would like us to include or raise at this session please email Miss Clark on ecclark@liverpoolcollege.org.uk
