## Sporting News

On Wednesday the Year 5 and 6 netball teams played against Terra Nova, a school from Cheshire. The girls all played brilliantly against tough competition and it was a great opportunity for them to play long matches. The Year 6 team started strong and were winning during the first quarter. Terra Nova had a dominant GD who was a difficult barrier for us.

Nonetheless, the girls pressed on and worked together, trying different positions. The end result was 11-2 to Terra Nova. A huge well done to Leah D who was nominated as player of the match.

The year 5 team were very excited about playing and they were brilliant at rotating their positions so they could get a feel of them all. It was a close match with a score of 4-4 at half time. Their understanding of the game and the space on court really developed throughout the game. Hannah B was brilliant at stretching the game and finding space. The final result was 7-6 to Liverpool College. Well done to Eleanor F for being nominated player of the match. A huge well done to everyone that played and we look forward to more matches ahead.

## Year 1 & Year 2 Gymnastics Festival

Filled with catchy songs, humour, and moments of real emotion, *Oliver!* is a joyful story of hope, friendship, and finding where you belong. Starring a special four legged guest!

## Opal Play

This week the children have loved our den building competition. There were lots of groups of pupils that worked as a team to make amazing dens. They had lots of fun building different dens and are looking forward to making more in OPAL play. Thank you for any donations that got sent in to help the children make their dens. Please keep bringing in any materials/wooden crates that the children could use to create their wonderful dens.

Best wishes Mrs Harper

# In School, On Time, Everyday!

Regularly arriving late to school is unsettling for your child and can have a negative impact on their engagement in school life.

Arriving late means they often miss important information, including the plan for the day or the beginning of their first lesson. Therefore, they may miss key learning that hinders them to follow the rest of the lesson, affecting comprehension and retention of key information.

**Pupils can come into school from 8:15am and the school day starts promptly at 8:25am.** If a child arrives at school after 8:25am without prior arrangements having been agreed, they will be deemed late. **The school gates closes at 8:35am** and registers close at 8:30am. Arrival at school after this time, without prior approval, will be recorded as late. If your child arrives very late, this may be recorded as an unauthorised absence for the whole morning.

We appreciate your continued support in getting your children into school everyday and on time.
