## KS1 News

On Friday 4th July the children took part in a new event this year, kick rounders!

The children were confident and calm from the start, performing an effective warmup and asking great questions surrounding fielding and striking. As soon as the matches started, we knew it was going to be a successful day. Full rounder after full rounder every single game from players such as George and Omari gave us the platform needed to be successful. Continuous, effective fielding when needed from the likes of Scarlett, Reuben and Blake was another key component in which granted the school the gold medal, winning every single game.

Well done to the KS1 team!

Make new friends! Come and have some fun!  
Let your imagination run wild!

Our project this term has been a useful "Postman Bag".

Our two groups have designed and been very creative with their amazing bags, some with basic straps and some with plaited straps which they learned to do for the first time. We introduced the groups to different fabrics, learned about appliqué, reverse appliqué and used heat transfer vinyl under close supervision.

We would like to say a sad goodbye to our year 6 students Freya, Will, Roxana and Evie who have been with us since year3!

Good luck for your future!
