Year 4	98.1 %	😊
Year 5	97.3 %	😊
Year 6	96.8 %	

We are delighted to announce that Mrs Childs is expecting her first baby due in June.

Sporting News

On Wednesday the cross country finally roared back in to life at a sun-drenched Wavertree. Our runners prepared well and got ready to race, with the boys up first. They did superbly, with many all coming close together, and recording their joint-best score of the year as a team. Particularly well done to Stanley H for a brilliant 10th place finish. Next up was the girls, and once again they were very impressive. They managed to all finish in good, tight clumps, including 3 in a row, which really helps our team score. They registered a very impressive team score, and we now await the results before the all-important final race of the season.

A huge well done to our teams - we go again next Tuesday!

Netball

On Thursday, the Y5/6 took place in the LSSP City Finals held at the LFC Academy. With solid performances in all four group games, winning two and drawing two, the girls progressed to the final. In a great final game, it was a comfortable 3-0 against Rudston. **Congratulations** to the girls as this made them Merseyside champions! They will now represent Merseyside in the national competition. As a special treat afterwards, the girls also got to meet two members of the Liverpool U18 team, Joe Upton and Prince Cisse, where they were able to ask them what it is like to be a footballer in the academy.

The Year 5 girls played 2 more league matches yesterday on another wet afternoon! They show so much determination though and never let the weather get them down. LC Reds played a tough match against Much Woolton Reds to begin with. Battling back and forth, the team worked together to score some super goals. The final score was 3-3. Daisy was voted MVP for her strong defensive skills! Meanwhile, LC Blue team played against Gilmour. It was another close game and Andi was fantastic in defence! We came out with a 5-3 win with some excellent goals. Well done Summer who was voted MVP - the second time in 2 weeks!

Finally, our 2 teams played each other! This felt funny for the girls because they usually cheer everyone on, but this time, they were rooting for their own teams. It was the battle of the LC girls! It was neck and neck in the first half and no goals for the first few minutes. The Reds turned it round though with some lovely goals from Hannah B, Esme and Bea. The final score was 3-0 to LC Red team.

Well done to both teams. We look forward to more matches next week and hopefully some brighter weather!

Ninja Warrior

The children had fun with Ninja Warrior who visited Liverpool College on Monday and Tuesday this week. We look forward in seeing them again on Tuesday 10th March

Liverpool College

On **Monday 9th March**, parents/carers of Year 4 pupils are invited to a short information session about the

MULTIPLICATION TABLES CHECK

Venue: Primary ST Hall

Time: 3:00-3:15pm

ADVANCED NOTICE BUGSY MALONE SHOW WEEK SCHEDULE.

Liverpool College--After-School-Football--2025/26--Term-3

¶ Sporting Club Merseyside will continue their offering of after-school football at Liverpool College into term 3 of 2025/26 school year. From April, Years 2, 3, 4, 5 & 6 will continue to train on Wednesdays. ¶

↵ All training sessions are given by FA by our club coaches who are highly experienced with coaching kids. The main focus of the training sessions will be the children's enjoyment and the sessions are given in a supportive and positive environment, and in a fun way. ¶

¶ You are invited to read more about Sporting Club Merseyside, about the club itself and the way it operates, on the website **but please note that the bookings for the after-school club are not done through the club's main website** (the bookings link for Liverpool College students is further down the page):

<https://sportingclubmerseyside.com> ¶

¶ There is a limited number of spaces (In year 2 only 20 places will be available), and places will be given on a first come first serve basis. ¶

Registration is open for both boys and girls and will be done on a term by term basis. ¶

¶ **To book your child's place--go to: <https://boost-football-camp.myshopify.com/>**

¶ When booking using the link above, please make sure you select the correct school and year group, and use the text box provided to include your child's name, class number and any medical info we need to be aware of. ¶

¶

Wednesdays Group 1: -Year 2 (Open to Boys & Girls) ¶ Wednesdays Group 2: -Years 3 & 4 (Open to Boys & Girls) ¶ Wednesdays Group 3: -Years 5 & 6 (Open to Boys & Girls) ¶	For sessions your child should have with them: -A comfortable kit to play football in ¶ -Shin pads and football boots ¶ -A water bottle ¶ -A warm layer and rain coat ¶
--	--

¶

Pick-Up Times: ¶

We ask that parents are ready to pick their children up from the main entrance from 16:15 for Years 3-6, and 16:25 for Year 2. ¶

¶

Price for the full term for all groups is: £72 (12 Sessions X £6 per session). ¶

Years 2, 3, 4, 5 & 6: ¶

Wednesday, 15 April 2026 ¶

Wednesday, 22 April 2026 ¶

Head lice - Treating head lice

Head lice can be difficult to treat due to the time-consuming and precise nature of treatment and high re-infestation rate.

In the past, traditional insecticides were used to treat head lice infestations but head lice would often develop resistance to them.

Therefore, these types of treatments have virtually been replaced with silicone and oil-based preparations which have a physical rather than a chemical action on lice.

After a head lice infestation has been confirmed you can treat the lice at home by wet combing the hair with a head lice comb or by using a lotion or spray that's designed to kill head lice (see below).

However, neither will protect against re-infestation if head-to-head contact is made with someone with head lice during the treatment period.

Wet combing

The wet combing method involves removing the head lice by systematically combing the hair using a special fine-toothed comb.

The comb's teeth should be spaced 0.2-0.3mm apart. Lice can be crushed or trapped between the teeth of nit combs with a tooth spacing of less than 0.19mm and remain unseen.

You can buy a fine-toothed comb from your local pharmacy or you can order one online.

Lotions or sprays don't need to be used for wet combing. However, to be effective, wet combing needs to be carried out regularly and thoroughly. The method you should use is described below.

- Wash the hair using ordinary shampoo and apply plenty of conditioner, before using a wide-toothed comb to straighten and untangle the hair.
- Once the comb moves freely through the hair without dragging, switch to the louse detection comb. Make sure the teeth of the comb slot into the hair at the roots, with the bevel-edge of the teeth lightly touching the scalp.
- Draw the comb down to the ends of the hair with every stroke, and check the comb for lice.
- Remove lice by wiping or rinsing the comb.
- Work methodically through the hair, section by section, so that the whole head is combed through.
- Rinse out conditioner and repeat the combing procedure.

- ~~Repeat the procedure on days three, six, nine, 12 and 15, so that you clear young lice as they hatch, before they have time to reach maturity.~~

How long it will take to comb your child's hair will depend on the type of hair they have and its length. For example, short, straight hair can be quickly prepared and can be fine-toothed combed in a few minutes. Longer, curlier hair will take longer to comb.

Lotion or sprays

Using a lotion or spray is an alternative method of treating head lice. However, to be effective they need to be used correctly. Your pharmacist will be able to recommend an over-the-counter lotion or spray and advise you about how to use it correctly.

A lotion or spray should only be used if a living (moving) head louse is found. Crème rinses and shampoos aren't thought to be effective and therefore aren't recommended.

Ensure you have enough lotion or spray to treat everyone in your family who's affected. Use enough to coat the scalp and the length of the hair during each application.

Follow the instructions that come with the lotion or spray when applying it. Depending on the product you're using, the length of time it will need to be left on the head may vary from 10 minutes to eight hours.

The normal advice is to treat the hair and repeat the treatment after seven days. Some products also supply a comb for removing dead lice and eggs.

Some products may be capable of killing eggs as well as lice, although there's no certainty of this. Check for baby lice hatching from eggs three to five days after using a product and again 10-12 days afterwards.

At least two applications of lotion are needed to kill lice over the hatching period because the lotions don't always kill louse eggs.

If the lice appear unaffected by the product, or if the problem persists, seek advice from your school nurse, health visitor, pharmacist or GP.

Cautions

Always read the instructions on the pack or leaflet that comes with a head lice treatment, particularly in relation to the following groups:

- young babies (under six months old)
- pregnant women
- people with asthma or allergies

If you're still unsure, seek advice from a healthcare professional before using the product.

Date: Thursday 4th, 11th, 18th, 25th June 2nd, 9th, July

Time: 9.30am – 12 noon

Venue: Garston Children Centre, Banks Road, L19 8JZ

Dear Parent/Carer,

Re: National Autistic Society - EarlyBird Plus Programme

We would like to invite you to attend an information_meeting to discuss the EarlyBird Plus programme which we will be running from

The EarlyBird Plus programme is a course which brings families/carers and professionals together to learn about Autistic Spectrum Disorder and has been developed by the National Autistic Society.

The course is 6 classroom sessions 9.30am till 12 noon (for parents/carers & professional) and one home visit (parent/carers only).

The criteria for attending EarlyBird Plus programme is aimed at parents/carers of a child 5 year to 10 years old who have been accepted onto the ASD pathway or have an ASD diagnosis. It has places for parent/carers plus one professional that works with your child.

There are limited places available so could you please contact us on the email as soon as possible to confirm your attendance.

We look forward to meeting you.

Yours sincerely

ASD Training Team
