Sports News

Rugby

Last Friday, our newly-formed Y5 Tag Rugby team took part in a fixture against old rivals Birkenhead. The game was played at a frenetic pace, and almost resembled a basketball game at times! As ever, our opponents were well drilled and tough to face, but we made a really good account of ourselves throughout the game, matching them on almost every occasion. Sadly, we narrowly lost out 14 tries to 12, but we did mount something of a fightback towards the end, buoyed on by a raucous home crowd! My player of the game was Hugo M, who scored the bulk of our tries with some incredible speed and agility. I've already been asked by several players when the next game is, so I'm glad the narrow loss hasn't dampened any spirits!

Netball

This Thursday saw the final matches of our Year 6 Netball League. The teams have all played incredibly well and have really shown improvements in every game that they have played. LC Red played their final match against Booker Avenue. It was a really close game and was end to end. Our girls pulled it out the bag though and finished with a win of 8-6. LC Blue team played Much Woolton Reds for their final match. It was a brilliant match and a lovely way to end the league for these girls. Hallie and Summer both scored some excellent goals, and they finished with a 9-0 victory.

The overall standings saw our Blue team finish in 4th place and our Red team finish in 1st place and champions! A huge well done to everyone who has played over the past 4 weeks, showing great commitment and enthusiasm.

Opal Play News

The children have had a lovely time in Opal Play this week, and have enjoyed using many of the donations received for the mud kitchen – thank you! The Opal play leaders also met this week and there were lots of really good ideas moving forward.

Car parking

The staff car park is for staff ONLY. Parents must not park in the car park; this includes dropping off and picking up for breakfast club and after school club. The ONLY exception to this is those with a blue badge.

Spanish

This week, some Year 4 and 6 pupils have had Zoom calls with pupils of a similar age from a school in Barcelona, Spain. The pupils introduced themselves and discussed Autumn festivals. It was a very exciting call and the pupils enjoyed meeting their new Spanish friends. We hope to continue this throughout the year.

Pokémon/Football cards

The children should not have any Pokémon or football cards in school with them. It causes upset if they are lost and if they swap them, it often causes disagreements. Please keep all cards at home

First Holy Communion

This term, Liverpool College Prep School is delighted to offer First Holy Communion preparation sessions, with pupils from St Anthony of Padua Primary School, at St Anthony of Padua Church and parish hall, opposite Liverpool College Upper School.
As a result of our excellent link with St Anthony of Padua Church, children in Year 4 and their families, are welcome to make their First Holy Communion in June, once preparation sessions have been completed. If you would like your child to take part, please email Mrs Jones bjones@liverpoolcollege.org.uk as soon as possible. Please note a copy of your child's Baptism Certificate will be required.
