This week, we had our very first meeting with our new OPAL Play Leaders, and it was wonderful to see such enthusiasm and excitement for developing our OPAL play provision. It was brilliant to see the children taking such an active role in shaping our OPAL journey. We are really looking forward to seeing their ideas come to life and working together to make our playtimes even more exciting!

Cross Country

On Thursday evening, our new look cross country team headed to Croxteth Park for the first league race of the new season. After a lot of waiting around, and several rounds of warm ups, our teams set off, with the boys up first. They ran an incredible race, with Evan D, Hugo M, Macsen MJ and Cassius C finishing an incredible 8th, 9th, 10th and 11th respectively! The boys total was seriously impressive, and they're looking very strong for the season ahead.

The girls waited patiently for their turn to race, and when they did they were superb! Captain Chloe B led from the front, and there were superb finishes all round to give us a very impressive score.

A particular mention must go to our debutants. For the boys, Logan L, Myles B, Ali F and Reuben B all took part for the first time and did incredibly well. For the girls, Charlotte H, Indi C, Elsie F and Erin O'C also did amazingly well in their first race. My star debutant was Liberty B, new to the team and to our school, who ran in an amazing 26th place in her first ever race, all with a huge smile on her face!

We are looking forward to our next race!

Congratulations to Violet C who passed her Grade 1 Violin exam

Jigsaw PSHE - Being Me in My World

This half term, our PSHE learning through the **Jigsaw** scheme will focus on *Being Me in My World*. Children will explore their sense of identity, belonging and responsibility, thinking about what makes them unique and the important role they play within their class and wider school community.

We will talk about recognising our own strengths and qualities, making positive choices and understanding how our actions can affect others. Children will also consider how we can work together, listen to different viewpoints and show kindness and respect towards everyone.

Through our learning, we hope to help children develop confidence in who they are, understand where they belong and think about how they can make a positive contribution to our school community.

Spanish

This week in Spanish, Year 1 pupils have been having lots of fun learning about Spanish culture.

In Year 4, Valentina celebrated the Hispanic culture with the class. She talked to us about Mexican Independence Day and wore a beautiful bow in the colours of the Mexican flag.
