New decoration in Prep

This week we have had some decoration added to the stairs in prep school. Every opportunity to practice our timetables is good!

Fun in Reception

The reception children have been enjoying their early morning handwriting practise! Dough Disco is definitely a crowd favourite! We love to squash, squeeze, smack and pinch the dough in order to strengthen our hand muscles. This, alongside practising accurate letter formation, will enable us to be super writers!

OPAL PLAY

We are holding an OPAL Play Donation Day on Friday 4th December and would love your help! We are looking for donations of good-quality, pre-loved items that the children can enjoy using during their outdoor play sessions.

We would be very grateful for any donations of items such as bikes, scooters, ride-on toys, cars, trucks, dinosaurs, construction toys, dolls, prams, kitchen equipment, pots and pans, buckets, spades, skipping ropes, balls, dressing-up clothes, small-world toys and much more!

If you have any unwanted items at home that could be given a new lease of life through play, please consider bringing them in. Every donation, big or small, will help us provide exciting new opportunities for the children to explore, create and play together.

Thank you so much for your continued support!

Preplings Christmas Performances – November/December 2026

Dear Parent(s)/Carer(s),

The Christmas Term is particularly busy for our Preplings this year and we have a number of performances to prepare for. I am writing to you to confirm your childs' attendance at these events and the arrangements as we know them so far.

1. **Sunday 29th November**

North West Cancer Research Concert – St George's Hall Concert Hall
'Concert for a Cure'

Rehearsal	12.00pm (sign in at 11.45pm with Miss Clark)
Performance	Doors open at 12noon, Concert starts at 1pm

Tickets are £11.50 each and can be bought here by scanning the QR code or following the link below

www.trybooking.com/uk/121286

This is an external event and is a Christmas Concert in partnership with North West Cancer Research. Pupils can wear Christmas jumpers/ tinsel for this event and may bring water and a snack with them (please ensure all water bottles are disposable as we will not be able to reclaim any left behind). Parking at St George's Hall is always problematic. St John's multi-storey is within easy walking distance and probably the best option.

2. **Wednesday 9th December**

Prep School Christingle 1 – Mossley Hill Church

Rehearsal	PM – Pupils will walk up to the Church after lunch and may be collected from the church at 3pm or walk back to school and be collected at normal time or from after school club. Please look out for permission forms from your childs' class teacher.
Performance	7pm – all pupils must arrive for 6.30pm

3. **Thursday 10th December**

Prep School Christingle 2 – Mossley Hill Church

Rehearsal	THERE IS NO REHEARSAL FOR PREPLINGS DURING THE DAY
Performance	7pm – all pupils must arrive for 6.30pm

Christingles are school events and full school uniform is required. Any costume arrangement for class performances at the Christingle will be organised with class teachers.

Please note – **THE CHOIR SHOULD ATTEND BOTH CHRISTINGLES.**

To ensure registers are correct, please scan the QR Code below or follow the link and complete the form.

PREPLINGS CHRISTMAS PERFORMANCES - 2026 – Fill in form

Many thanks for your continued support of the music department, particularly at this very busy time.

Athletics

Last Friday, our Year 3 and 4 Indoor Athletics team travelled to SFX school to take part in their qualifying heat. We'd put in the weeks of training in the run up to the event, so we felt confident, if not a little intimidated by the strength of the heat we were in, and the fact we were missing one of our key squad members through injury (at least, that's how Mr Brimage and I felt!!). The excitement was building as we were put through our paces in the warm up, familiarising ourselves with our events. Then it came down to business. Both boys' and girls' teams took part in their over and under relay first up, where we enjoyed success that gave us a superb platform to build on. Then came the time for the boys to do their field events while the girls raced. Once again, our athletes put in some phenomenal performances. There were mighty leaps in the jumping events (we jumped so far in the Five Stride that they had to go and find an extra tape measure!), speedy bounces and powerful throws. Meanwhile, the girls on the track ran at blistering speeds, with immaculate baton changeovers, enjoying many victories and a collection of extremely competitive times, all contributing to our overall team score. When these had concluded, it was time to swap over. In the field events, the girls carried on where the boys left off, showcasing brilliant technique across the range of jumps and throws to further enhance our score, while on the track the boys again ran fantastically to record more superb results. The final event of the morning was the javelin - a high-pressure situation with everyone in attendance

watching. Both our teams did well here, but a special mention must go to Penny T who had the added pressure of being first up, but actually threw it further than anyone else!

With the events concluded, it was now time for a short but anxious wait to find out which two of the ten schools present had qualified for the city finals. Unlike other sporting events that we attend, it is very difficult to judge how you've got on in the athletics, with so many events occurring simultaneously, and everything coming to down to times and distances, so we really had no idea where we had finished, despite being asked many times by our team! It was therefore with great exuberance, tinged with some surprise and relief, that our name was met when we were announced as qualifiers! Not only that, but we later found out we had actually finished as overall winners of the event!

A huge well done to our incredibly talented athletes on their much-deserved victory. We now turn our attention to the City Finals at the end of the month. We will train again, hone our technique, and though the standard will be even higher next time, we will be ready.

New Age Kurling

This week, pupils from Y5 and Y6 took part in a New Age Kurling competition at Notre Dame Everton Park. They all competed well, using a variety of styles. Elsie F was the first to find her range and then Summer took over, leading the team through the rounds with a series of excellent opening throws, while Philip went for power (in trying to knock the opposition stones away from the target)

Mr Stewart

Football

There was some excellent football on display as the year 6 boys' team was in action again. This week they took part in the LSFA Cup tournament.

Working hard for each other, the boys got their rewards with wins over St Anthony De Padua and Childwall to top the group.

They then faced Mosspits in the semi-final and came away as 1-0 winners which meant they now faced Bishop Eaton in the final of the tournament.

Despite being under pressure for large parts of the game, we found ourselves 1-0 up and Anthony M in goal put is some great saves to try and protect that lead. Sadly, with the last kick of the match, Bishop Eaton equalised to take the game to penalties which we sadly lost 3-1.

Every one of the boys were excellent and some were very patient as the tight matches meant there were not as many changes as there ordinarily would be.

Kareem again led by example and Evan weighed in with 4 goals despite playing a year up. Isaac and Shea showed some great attacking play and Sonny and Oliver were strong at the back. All supported by Buddy, Zach and Lucas.

Once again, they were an excellent team in terms of playing and behaviour and were a fantastic representatives for the school. Well done to them all.

Mr. Devine

Parking

The staff car park is for staff ONLY. Parents must not park in the car park, this includes dropping off and picking up for breakfast club and after school club. The only exception to this is those who have a blue badge.

Uniform

As the weather gets colder and wetter can you please ensure that your child has a black coat with them every day, we will always try to take the children outdoors, even in the rain. They should also have a pair of wellies in school that they can change into if it is wet. The children should also be travelling to and from school in full tracksuits – no leggings or shorts.
