Y1 Knowsley Safari trip

Year 1 enjoyed a day at the Safari Park.

Traffic Safety

Please could I ask those driving their children to school to take even greater care, especially around our pedestrians and cyclists. Where possible we would encourage you to park further away and then walk in. Do not park on the zig zag lines or where it states no parking.

Opal Play

OPAL Play helps children to develop the confidence, teamwork, creativity, and physical skills that are also essential in football, making it a foundation for the values celebrated at the Football World Cup 2026. It is an exciting period watching the football, celebrating all of the different teams playing and inspiring so many.

We would love to see you celebrating the World Cup, whether this is watching a match, playing football, cheering on your team etc. Please send pictures to Mrs Fisher-efisher@liverpoolcollege.org.uk.

There will be a video displaying all of the pictures sent in an assembly in a couple of weeks.

Holy Communion 2026

Congratulations to Francesca, Mia and Cathal, who made their First Holy Communion at St Anthony of Padua Church on Saturday. They had a wonderful service and we are grateful to St Anthony Padua Church and the catechists for this wonderful link.

Year 6 Cricket Squad

On Tuesday our Year 6 Mixed Cricket team travelled to SFX school for the LSSP Dynamos tournament. The weather was absolutely glorious as we warmed up in the sunshine, making sure we were as well prepared for the day as we could be. It must have paid off, because what followed was once again quite breathtaking!

We played 5 (4, one team left early so we won by default) and won 5, all very convincingly. Seb B captained the team superbly, as well as scoring vital runs and taking key wickets. Hugo B hit some monstrous shots and took an incredible one-handed catch. Isabelle R played some spectacular shots that seemed to defy the laws of physics. Stanley H bowled with good pace and accuracy. Will L took a wicket with our very first ball, and set the tone with a superb over. Grace W bowled really sensibly, and hit some fantastic

shows while batting. Nathaniel D looked like a professional in the way he bowled, batted and fielded. Leah D took an amazing catch off her own bowling, and generally bowled superbly throughout. Vincent H batted aggressively and played some lovely strokes. My player of the day was Dexter A. His bowling was genuinely unplayable throughout, his batting was classy and his wicketkeeping faultless. As a team, they were superb, and their attitude was great too. We now await the Lancashire County Finals to defend our title!

This is a very talented team, but I was reminded on my return to school to run cricket in activities for Year 6 of the sheer depth of talent we have here. With any modesty I can squeeze into this, I genuinely believe I could have taken a different set of 10 children to this event and still come back with the medals, from what I have seen in this school. So please, everybody, keep playing cricket, so we can continue to build this dynasty!!

Tag rugby

On Thursday some of our year five girls competed in a tag rugby event. The girls were absolutely superb, not only was their attitude spot on but their ability was of a great quality! We practised some skills before getting into some matches at the end. We saw some great off the ball defending from the likes of Charlotte H and Hannah VDH. When we got the ball we were equally as effective, with Andi scoring every single time she got possession! The vibes were high all afternoon, I think the mid game photo shows the mood! Well done girls!

Congratulations to Seb!

Seb's Binns played in the District Cricket interleague Completion match in Bootle and he was the highest scoring batter of the day with 23 runs and had the second best bowling stats.

Outdoor Athletics

Last Monday our prep outdoor athletics team stepped into action. We have been waiting for this day for a long time and we definitely delivered on the day! After weeks of preparation in PE lessons and activities, we were ready. The first event on the day was hurdles and wow did it set the tone! We had a total of 4 heat winners and a finals champion! Mr Brimage and Mx Roberts were trusted with the long jump all day where we oversaw some great jumps all day! A standout from this day was witnessing Evan Davies who is one of our Y4's if you didn't already know winning the Y5 long jump! Evan managed to jump an

astonishing 3.68m. We also saw a lot of podium finishes across all events all day and I was particularly proud of our Y4's who were brilliant competing against older children. Violet C and Savanna G were particularly amazing in their events! Unfortunately, in all the excitement I forgot to take a picture so I thought an amazing way to show off this day would be a photo with our regional champions. Lucas J and Kareem O were hurdle champions, Freddie L high jump and of course Evan was our long jump champion. We all eagerly await the finals in a few weeks now! A big thankyou to Mr Stamper and Mx Roberts for helping all afternoon and ensuring the event could go as smooth as possible!"
