Opal Play

NEW ADDITION to OPAL PLAY!

We have been very excited to have a chess board built for OPAL play! During OPAL play this week, children have been enjoying chess across mixed-age groups. Older pupils have been supporting younger children by explaining rules, sharing strategies, and encouraging thoughtful play, helping to build confidence and friendships across year groups. It has been wonderful to see children developing problem-solving, patience, and resilience while enjoying friendly competition together.

Year 4 Fun Fair

Well done to Year 4 in raising a magnificent £510 at their Fun Fair.

Year 6 girls' cricket team

The Year 6 girls' cricket team enjoyed a fantastic day of competition, winning all six of their matches comfortably with outstanding teamwork and determination throughout. Every player played an important role in the team's success, and it was wonderful to see the girls constantly encouraging and supporting one another from the sidelines.

There were some incredible shots played across the day, alongside accurate bowling and confident running between the wickets, which helped the team stand out from their competitors. Their skill, teamwork and positive attitude were evident in every game they played.

It was a pleasure to watch the girls perform to such a high standard while also enjoying themselves throughout the tournament. They should all be extremely proud of their achievements and the excellent sportsmanship they showed all day.

On Tuesday, Harri Jones (R1) came to the PTA Preloved Outlet with his mum and sister after school. While his mum was helping his sister, Harri saw our litter pickers and asked what they were. After explaining, Harri decided he wanted to clean up, and used the litter pickers to collect all the litter he could find from nearby in the seniors. I was incredibly proud that a Reception child was so helpful and cared about looking after our school and environment.

Y5 Garden project

The children are enjoying using the garden in lessons, as well as looking after the plants and vegetables.
