# Liverpool Philharmonic Children's Choir

Raise the roof in Liverpool Philharmonic Children's Choir – come along and join some of Merseyside's most passionate young singers.

With weekly rehearsals led by choral specialist Alex Dunn, we've got a big group making big sounds, taking on everything from traditional choral music to musical theatre and newly commissioned works. But we keep a close eye on the small details too. You'll take part in focused musicianship classes, with expert choral mentors helping you enhance your musical knowledge and vocal technique.

You'll perform alongside the Royal Liverpool Philharmonic Orchestra in our show-stopping family Christmas concerts, as well as the annual Youth Company Festival.

And don't worry, it doesn't matter if you've never sung in a choir before. Reading music also isn't a must (but it does come in handy). We just want you to be enthusiastic and have fun.

# Liverpool Philharmonic Melody Makers

Love to sing? We want to hear you! Liverpool Philharmonic Melody Makers is Youth Company's fun, energetic, entry-level choir for children in primary school Years 3 and 4.

Melody Makers provides the perfect introduction to the joys of singing in a large group. In weekly rehearsals led by choral specialist Alex Dunn, choir members learn the basics of choral singing through fun games and activities, covering a wide range of genres, building confidence and igniting a real love of singing.

The group takes to the iconic Liverpool Philharmonic Hall stage in the annual

Youth Company Festival, as well as performing regularly throughout the year in engaging sharing sessions, bringing family and friends along on their singing journey.

Enthusiasm is what we want to see in Melody Makers – it doesn't matter if you've never sung in a choir before. So come along, have fun, make friends and start your choral journey!

*'My child has become more confident socially, and talks enthusiastically about the friends he has made at Melody Makers. Singing and performing together is a bonding experience, and it's great that the children in the choirs can experience the joy of that at such a young age.'*
