Opal Play

It has been wonderful to welcome the children back to school, and they have thoroughly enjoyed getting back to OPAL play! It has been especially lovely to see our new Reception children engaging in OPAL play and exploring the exciting new equipment. The children have enjoyed using the tennis bats to play games of tennis, the new balls to play catch and the new cup and ball toys. It has been fantastic to see so much imagination, creativity, teamwork and joyful play as the children make the most of the wonderful opportunities available to them outdoors.

Lunches

Reception – Year 2

All pupils in Reception to Year 2 are expected to have a school meal. These meals are provided free of charge, in line with government guidance.

Year 3-6

School meals are available for £3.35 per day, with pupils able to choose from a hot or cold meal, followed by a choice of delicious desserts.

Pre-ordering meals

All Primary school meals should be pre-ordered through SchoolGrid, giving pupils the opportunity to choose their preferred meal in advance. For children new to Reception, they will receive further guidance prior to them staying for lunch.

<https://app.schoolgrid.co.uk>

Payment of school lunches is only made via MCAS.

We are excited that our new providers 'Caterlink' will be offering pupils a range of delicious and nutritious school meals, making lunchtimes something to look forward to! Please note all meals remain halal.

Allergy information

For pupils in Primary, Caterlink kindly asks parents and carers to complete the form using the link below. This will ensure that we have the correct information and can put the appropriate arrangements in place for your child.

<https://tinyurl.com/yuhxdddy>

(School ID number 8898)

Together with this, as a school we require all allergy information and, in line with Benedict's Law, pupils who have significant reactions to their allergies will need an 'Individual Healthcare Plan (IHP)'. Mrs Young will be collating these and if you feel this may be appropriate for your child, please contact

hyoung@liverpoolcollege.org.uk.

Allergies must also be recorded on MCAS through admission and then contact details.
