GOVERNORS' REPORT

FOR THE YEAR ENDED 31 AUGUST 2023

The governors present their annual report together with the financial statements and auditor's report of the charitable company for the period from 1 September 2022 to 31 August 2023.

The annual report serves the purposes of both a governors' report and a directors' report under company law.

The trust operates an all through academy for pupils aged 4-19 serving a catchment area in South Liverpool. It has a pupil capacity of 1643 and had a roll of 1643 in the school census on 5 October 2023.

Structure, governance and management

Constitution

The academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy for the purposes of company law. The governors act as the trustees of the academy trust are also the directors of the charitable company for the purposes of company law. The charitable company operates as Liverpool College Independent School Trust.

Details of the governors who served during the year, and to the date these accounts were approved, are included in the Reference and Administrative Details on page 1-2.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Governors' indemnities

The governors are indemnified in respect of their legal liability for financial losses arising as a result of a negligent act, accidental error or omission in the course of their official duties. The limit of this indemnity is £10,000,000.

Method of recruitment and appointment or election of governors

The procedure for the recruitment, appointment and election of Governors and Members is set out in the company's articles of association.

The Governing Body shall comprise no more than seventeen members comprising the Principal (ex-officio),up to twelve Foundation Governors, one governor appointed by the Vice Chancellor of the University of Liverpool, one staff governor and two governors being appointed as parental representatives.

The governors are appointed by the following:

- Parent governors are elected by parents of the pupils of the academy
- · The staff governor is elected by staff of the academy
- Foundation Governors are appointed by the Trustees of Liverpool College, a charity separate to the Liverpool College Academy Trust
- The University governor is appointed by the Vice Chancellor of the University of Liverpool

Policies and procedures adopted for the induction and training of governors

The academy maintains an induction handbook for new governors. The academy also funds, via an external provider, training opportunities for governors, including specific induction training.

GOVERNORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

Organisational structure

The academy is governed by its Governing Body, whose members are directors of the charitable company for the purposes of the Companies Act 2006 and trustees for the purposes of charity legislation. The organisational structure of the academy consists of 3 levels: the Governing Body, the Principal, and the College Leadership Team.

The Governing Body is responsible for setting general policies, adopting a college development plan and budget, monitoring the academy's performance, making major policy decisions, appointing senior staff, and through its various committees, overseeing the general strategic operation of the academy. Certain elements of these responsibilities are delegated to the following sub committees who make recommendations to the full Governing Body:

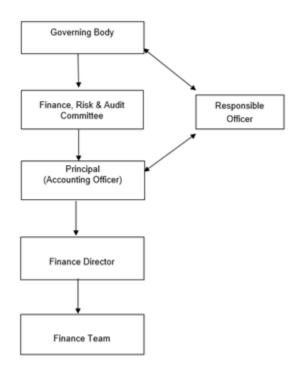

- Education Curriculum & Assessment
- Education Staff & Pupils
- Finance, Risk & Audit
- Operations
- Strategy

The Principal is also the Accounting Officer and in addition to the responsibilities associated with this role has responsibility for the strategic direction of the academy, the day to day management of the academy and its curriculum delivery.

The Executive Leadership Team comprises:

- H van Mourik Broekman
- H Cassidy
- A Haynes
- C Furnival

The Finance, Risk & Audit Committee of the Governing Body together with the Principal and Finance Director will ensure the effective allocation of resources to appropriate budget holders for staffing, premises, administration, curriculum resources and pupil services. An annual budget is presented to the Governing Body for approval and management accounts are regularly reviewed by the Governing Body and the Finance, Risk & Audit Committee. Various levels of responsibility are set out in the academy's Financial Procedures Manual.

GOVERNORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Arrangements for setting pay and remuneration of key management personnel

The governors' Pay Committee meets to consider the pay and remuneration of the academy's key management personnel. Staff who are paid on the Leadership Spine must demonstrate sustained high-quality performance, with particular regard to leadership, management and pupil progress at the school and will be subject to a review of performance against performance objectives before any performance points will be awarded. Annual pay progression within the range for this post is not automatic and is linked to performance.

All key management are performance managed and have their whole school targets set as well as specific personal targets. These targets are reviewed as part of the performance management process. This is done within the framework of the Pay Policy.

Trade Union Facility Time

The academy does not have any staff who are relevant union officials.

Related parties and other connected charities and organisations

Related parties

Liverpool College Foundation own the freehold of the college land and buildings and leases these to the academy. The foundation continues to be a source of donations and other financial support for the college.

Connected Parties

The academy has an active Parent Teacher Association which supports the work of the college and provides funds.

Community Organisations

The academy has strong collaborative links with its feeder primary schools, and other secondary schools within Liverpool.

The Principal is a member of the Liverpool Association of Secondary Head Teachers (LASH). The school engages support and guidance from School Improvement Liverpool, who provide a School Improvement Partner to support the Governing Board.

Charities

Liverpool College is active in supporting a range of local charities through fund raising activities in school.

Objectives and activities

Objects and aims

The main objects of the academy as set out in its governing document are:

To advance, for the public benefit, education in the United Kingdom, in particular but without prejudice to a generality of the foregoing, by establishing, maintaining, carrying on, managing and developing a Church of England school designated as such which shall offer a broad and balanced curriculum and shall be conducted in accordance with the principles, practices and tenets of the Church of England including any memorandum and articles governing the use of land used by the academy both generally and in particular in relation to arranging for religious education and daily acts of worship and having regard to any advice issued by the Diocesan Bishop.

Objectives, strategies and activities

The academy's main strategy is encompassed in its mission statement and its school motto which is:

Non Solum ingenii verum etiam virtutis - Not only the Intellect but also the Character.

Mission Statement - Liverpool College values the dignity of each individual and promotes the development of character and learning through a commitment to high standards within a caring community.

Core Values

We recognise that all pupils have different talents and strive to ensure that every pupil has an equal opportunity to find and develop the talents they possess.

We believe that the development of spirituality, character, intellect and creativity are the primary aims of education.

GOVERNORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

We work together to create a happy and caring school community which is engaged in our local community and the wider world.

We pursue high standards in every area of school life.

To this end the activities provided include:

- Tuition and learning opportunities for all pupils to attain appropriate academic qualifications
- Training opportunities for all staff, especially teaching staff
- A programme of sporting and after school leisure activities for all pupils
- Before and after school club provision to allow pupils to explore topics in a practical manner

The main objectives for the period were:

• To work with the Education and Skills Funding Agency (ESFA) to further develop a strategy for the future funding of the Academy and its projected growth

These were achieved by working with the ESFA, governors, trustees, staff, parents and other associated parties.

Public benefit

In setting objectives and planning activities, the Governing Body have paid due regard to the published guidance from the Charity Commission on the operation of the public benefit requirement under the Charities Act 2006.

Strategic report

Achievements and performance

During the course of the period the Principal has reported on the following:

- Academic Results
- · Admissions and admission appeal's
- Attendance and Exclusions
- Boarding
- College Development Plan Development and Review
- Curriculum and Curriculum Staffing Review
- Dashboard data analysis and information
- Facilities
- Funding and Finance
- Growth
- LA Social Inclusion
- LC Press
- LC Sports
- Ofsted and self-evaluation
- Partnerships
- Policies
- Pupil Premium
- Reporting Systems
- Safeguarding
- Schools Direct
- Sixth Form Strategy
- Staffing, staffing issues and School Organisation (including Leadership Structures)
- · Strategic update
- Term dates
- Uniform

In setting our objectives and planning our activities the trustees have carefully considered the Charity Commission's general guidance on public benefit.

Staff ratios

Pupil teacher ratio is 1:18.

Key performance indicators

This reporting period represents the Academy's tenth period of operation and it has set strategic goals related to achievement, progress, engagement, destinations and its provision. These goals are monitored closely by the Governing Body. Liverpool College received 1723 applications for Year 7 2023. Total main school pupils in the academic year ended 31st August 2023 numbered 1632 (including 269 in the sixth form) and the Academy had full complements in all year groups up to and including Year 11. A total of 72 admission appeals were heard during the course of the year. 3 of these were upheld.

The College provides a balanced curriculum that encourages students to achieve their potential. The summer of 2023 saw the second year of the return to external GCSE and A-Level examinations post Covid, but with fewer mitigating elements e.g. the examinations continued to be spaced over time as a means of mitigating disadvantage to a pupil testing positive for a paper. Highlights of the 2023 external results include attainment in Key Stage 2 SATs being significantly above national figures and in the 90th percentile nationally for RWM combined attainment. Progress in all three subjects at Key Stage 2 was also significantly above national figures and in the 71st percentile, the 79th percentile and the 96th percentile nationally for Reading, Writing and Mathematics respectively. At A-Level the average grade of a B- was a sustained improvement in attainment from pre-pandemic outcomes when it was a C+. The A*- B pass rate of 53.6% exceeded both national and local figures, as did the A*- C pass rate of 76.8% and the A* – D pass rate of 92.0%. There were no published value-added figures for Key Stage 5 in 2023. At GCSE level the attainment 8 figure of 56 exceeds our pre-pandemic figure of 54 and is significantly above national and in the top 20% nationally. Progress at Key Stage 4 was also strong with an overall Progress 8 figure of 0.32 and progress in both the English element and the EBacc elements being significantly above national figures and in the highest 20% nationally.

GOVERNORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

Attainment – Results from external examinations are as follows:

	% A*-B at A' Level	% A*-E at A' Level	% 7 - 9 at GCSE	5 passes (inc Eng & Maths)

Going concern

After making appropriate enquiries, the board of Trustees has a reasonable expectation that the academy trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

GOVERNORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Financial review

The academy's total incoming resources during the period were £13,604,782 (2022: £12,924,292).

The majority of the academy's income derives from central government funding via the Education and Skills Funding Agency, in the form of current grants. Total funding received for the academy's educational operations in the period was £10,741,094 (2022: £9,469,494) and further details are provided in Note 3 to the accounts.

Total outgoing resources for the period were £11,944,204 (2022 £11,471,845), the majority of which related to the direct provision of educational operations £11,767,817 (2022 £11,259,587).

At the period end the academy's total reserves were \pounds 37,734,176 including unrestricted funds of \pounds 290,412, general restricted funds of \pounds Nil, pension reserve of (\pounds 4,000) and restricted fixed asset funds of \pounds 37,447,764. The balances on general restricted funds relate to funding received in the period which is due to be spent in 2023/24 in accordance with the terms of funding. Further detail is provided in Note 18.

At 31 August 2023 all assets shown in the financial statements were used exclusively for providing education and associated support services to students of the academy.

Reserves policy

The governors review reserve levels of the academy annually. This review encompasses the nature of the income and expenditure stream, the need to match income with commitments, the uncertainty surrounding the levels of future funding and the nature of reserves. The governors take into consideration the future plans of the academy, the uncertainty over future income streams and other key risks identified during the risk review.

It is the governors' aim to build a reserve to compensate for anticipated reductions in income for capital works and to develop the delivery and content of the curriculum.

Restricted GAG reserves

The governors have considered the level of GAG reserves which they believe will provide sufficient working capital to cover delays between the spending and receipt of grants and unexpected or planned future revenue and capital costs. The governors believe that, under normal circumstances, the appropriate level of GAG reserve should be between 2% and 5% of GAG income and aim to keep the reserve within these parameters.

At 31 August 2023 the school held GAG reserves of £Nil. The governors will seek to increase this reserve in future years as funding allows.

Unrestricted reserves

In addition to the GAG reserve, which can only be utilised for the restricted purposes set out in the funding agreement, the academy holds unrestricted free reserves, which provide additional working capital and are not committed or designated. It is the governors' policy to aim to hold approximately 3 months' expenditure in unrestricted reserves, to provide an additional cushion over and above the restricted GAG reserve.

At 31 August 2023 the level of unrestricted reserves held was £290,412.

Investment policy

All investments are agreed by the Governing Body, which has regard to the Charity Commission guidance in relation to charity investment policy. The academy does not currently hold any investments other than cash, which is held for its normal operations. The Governing Body has adopted a low risk strategy to its cash holdings. Surplus cash is held in an instant access account to ensure that there is always sufficient cash to meet short and medium-term requirements.

GOVERNORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Principal risks and uncertainties

One of the academy's main risks is uncertainty surrounding pupil numbers. The academy has a growth plan in respect of pupil numbers to move towards financial viability. Further capital building will be required to accommodate the additional numbers.

The academy has undertaken further work during the year to develop and embed a system of internal control, including financial, operational and risk management, which is designed to protect the academy's assets and reputation.

A risk register is maintained and is reviewed annually by the governors and more frequently where necessary. The risk register identifies the key risks, the likelihood of those risks occurring, their potential impact on the Trust and the actions being taken to reduce and mitigate risks. Risks are prioritised using a consistent scoring system.

The governors have identified and reviewed the following risk areas:

- Safeguarding
- Reputation
- Physical
- Infrastructure
- Governance
- Staffing
- Students
- Financial
- · Business continuity

Fundraising

Under the provisions of the Charities (Protection and Social Investment) Act 2016 the following section outlines information on fundraising practices. The areas covered are included in section 13 of the Act and include:

Approach to fundraising

- The College seeks voluntary contributions towards educational trips and activities, where appropriate, to allow for the development of both educational and enrichment activities on behalf of the pupils.
- The College invites voluntary donations from parents, alumni, friends and other stakeholders for general or targeted school funding programmes, these may include specific capital projects.

The College does not work with any commercial participators/professional fundraisers and consequently does not put parents or other donors under undue pressure to donate.

Plans for future periods

The Governing Body and the College Leadership Team have determined the following key aims for the future:

- The strategy of Liverpool College Independent School Trust must rise to the challenges and opportunities identified with imagination, ambition and excellence of development and delivery
- In line with our heritage, we seek to make our own very distinctive contribution to education and the future of young people available to a greater number of pupils within Liverpool and beyond
- The resources and finances required to develop and deliver the strategy are available and committed over the required time period so that the College remains a viable and sustainable foundation and an establishment of educational excellence

Funds held as custodian trustee on behalf of others

The academy does not act as custodian trustee on behalf of others but it does administer a school fund on behalf of parents in respect of school trips and associated activities.

GOVERNORS' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

Auditor

In so far as the governors are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and

- the governors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The governors' report, incorporating a strategic report, was approved by order of the board of governors, as the company directors, on 28 November 2023 and signed on its behalf by:

Timothy James Nichol

T Nichol Chair from 26 September 2023

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2023

Scope of responsibility

As governors, we acknowledge we have overall responsibility for ensuring that Liverpool College Independent School Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As governors, we have reviewed and taken account of the guidance in the DfE's Governance Handbook and competency framework for governance.

The Governing Body has delegated the day-to-day responsibility to the Principal, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Liverpool College Independent School Trust and the Secretary of State for Education. They are also responsible for reporting to the Governing Body any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the governors' report and in the Statement of Governors' Responsibilities.

The governing body has formally met 4 times during the year. Attendance during the period at meetings of the governing body was as follows:

Governors	Meetings attended	Out of possible
K Atkinson	4	4
M Amanuel	3	4
C Barlow	3	4
S Carr	3	4
A Case	4	4
R Morgan	3	4
T Nichol (Chair from 26 September 2023)	2	4
E Parr	4	4
L Qayed	2	4
M Sharpe	4	4
Y Shepherd	4	4
L Sheridan	4	4
C Turbitt	4	4
K Clarke (Resigned 1 September 2022)	0	4
H van Mourik Broekman (Accounting officer)	4	4
M Mason (Chair until 25 September 2023)	4	4
A Williams	4	4

Conflicts of interest

The academy maintains a register of interests to identify any conflicts of interest. Conflicts of interest are discussed at every meeting and the academy has processes in place to manage these in accordance with the Academy Trust Handbook.

Meetings

The full governing body met 4 times during the year and each of the five sub-committees that have met 3 times during the year. The governors are confident they have maintained effective oversight of funds.

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Governance reviews

The Governing Body seeks to build on their strengths and improve the range of skills and abilities available when governors are appointed. The Governing Body carries out self-evaluation and a skills audit annually to identify any gaps in knowledge. The governors have wide ranging knowledge and experience and are well equipped to deal with the challenges and opportunities that arise. An external review of governance will be carried out in the next financial year.

The Finance, Risk & Audit Committee is a sub-committee of the main governing body. Its purpose is to monitor financial performance and related activities of the academy on behalf of the Governing Body. The committee met formally 3 times during the year and attendance at meetings in the period was as follows:

	Meetings attended	Out of a possible
H van Mourik Broekman	3	3
M Mason	3	3
T Nichol	3	3
M Sharpe	3	3
A Williams	3	3

Review of value for money

As Accounting Officer, the Principal has responsibility for ensuring that the academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes, as well as estates safety and management, achieved in return for the taxpayer resources received.

The Accounting Officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the board of governors where value for money can be improved, including the use of benchmarking data where available. The Accounting Officer for the academy trust has delivered improved value for money during the year as evidenced by the following:

- The College provides a balanced curriculum that encourages students to achieve their potential
- Termly reports to the Governing Body and sub-committees
- Operation of the Boarding provision as a further income stream
- The Governing Body overseeing the operation of the school finance provisions including approval of the budget, review of management accounts and the annual audited financial statements
- Robust internal controls, verified via external review
- Review of supply and service contracts and other provisions to generate further efficiencies
- Benchmarking
- Orders above the limits identified within our Financial Procedures Manual reviewed prior to authorisation
- Tendering procedures for high value contracts
- Staffing complement reviewed annually to respond to changes in curriculum delivery or needs of the organisation
- · Staffing appointments made on the basis of best person for the post not necessarily the cheapest
- Income generation the governors in collaboration with other partners have developed a strategy to secure the financial future of the academy
- Independent external services are engaged to review internal practices to ensure probity and compliance on behalf of the school and the Trust
- Robust monitoring of the academy's estate, investment in health & safety, repairs and building improvements to ensure a safe and fit for purpose environment is maintained for all students, staff and visitors

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of academy's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Liverpool College for the period from 1 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The Governing Body has reviewed the key risks to which the academy trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Governing Body is of the view that there is a formal on-going process for identifying, evaluating and managing the academy trust's significant risks that has been in place for the period 1 September 2022 to 31 August 2023 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Governing Body.

The risk and control framework

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Governing Body
- regular reviews by the Finance, Risk & Audit Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes
- setting targets to measure financial and other performance
- clearly defined purchasing (asset purchase or capital investment) guidelines
- delegation of authority and segregation of duties
- identification and management of risks
- regular meetings between the Accounting Officer and Chief Financial Officer

The Governing Body appointed Haines Watts as internal auditor. The internal auditor's role includes providing advice on financial matters and performing a range of checks on the academy's financial processes, procedures and systems. The internal auditor has delivered the agreed the schedule of work as planned. The checks carried out in this financial year include:

- Testing of expenditure systems and controls
- Testing of bank systems and controls
- Testing of governance and compliance
- Testing of fixed assets
- Testing of catering provision

On a termly basis, Haines Watts reports to the governors, through the Finance, Risk & Audit Committee on the operation of the systems of control and on the discharge of the Governing Body's financial responsibilities. On an annual basis Haines Watts prepare a summary report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess year on year progress.

Review of effectiveness

As accounting officer, the Principal has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor.
- the financial management and governance self-assessment process or the school resource management selfassessment tool;
- the work of the executive managers within the academy trust who have responsibility for the development and maintenance of the internal control framework;
- the work of the external auditor
- correspondence from ESFA, eg financial notice to improve/notice to improve (FNtI/NtI) and 'minded to' letters.

GOVERNANCE STATEMENT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance Risk & Audit Committee and ensure continuous improvement of the system is in place.

Approved by order of the board of governors on 28 November 2023 and signed on its behalf by:

Timothy James Nichol

T Nichol Chair from 26 September 2023 J B van Mourik Broekman
H van Mourik Broekman
Accounting officer

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE

FOR THE YEAR ENDED 31 AUGUST 2023

As accounting officer of Liverpool College Independent School Trust, I have considered my responsibility to notify the academy trust board of governors and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2022, including responsibilities for estates safety and management.

I confirm that I and the academy trust's board of governors are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academy Trust Handbook 2022.

During the previous year the trust engaged an architect for work on a capital project, work has continued on the project during the current year. The architect concerned was a related party and the contract was over £20,000. As such pre-approval should have been sought from the ESFA but this was not requested. A subsequent request was not approved by the ESFA on the grounds that

- The evidence provided did not demonstrate that a competitive tendering process was followed and the supply of goods and services to the academy trust was properly procured through an open and fair process, as required by the Academy Trust Handbook.
- The evidence provided did not demonstrate that sufficient records were maintained to show this transaction was conducted with accountability and transparency, and that conflicts of interest were managed.

The ESFA have stated that although the transaction is not approved, it does not prevent the academy trust continuing with the agreement in this instance.

With the exception of the above, I confirm that no instances of material irregularity, impropriety or funding non compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

J B van Mourik Broekman H van Mourik Broekman Accounting Officer

28 November 2023

STATEMENT OF GOVERNORS' RESPONSIBILITIES

FOR THE YEAR ENDED 31 AUGUST 2023

The governors (who act as trustees for Liverpool College Independent School Trust and are also the directors of Liverpool College Independent School Trust for the purposes of company law) are responsible for preparing the governors' report and the accounts in accordance with the Academies Accounts Direction 2022 to 2023 published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the governors to prepare accounts for each financial year. Under company law, the governors must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the governors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The governors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The governors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The governors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

Approved by order of the members of the board of governors on 28 November 2023 and signed on its behalf by:

Timothy James Nichol

T Nichol Chair from 26 September 2023

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LIVERPOOL COLLEGE INDEPENDENT SCHOOL TRUST

FOR THE YEAR ENDED 31 AUGUST 2023

Opinion

We have audited the accounts of Liverpool College Independent School Trust for the year ended 31 August 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the accounts, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and the Academies Accounts Direction 2022 to 2023.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the governors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the governors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the accounts and our auditor's report thereon. The governors are responsible for the other information contained within the annual report. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the accounts themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LIVERPOOL COLLEGE INDEPENDENT SCHOOL TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the governors' report including the incorporated strategic report for the financial year for which the accounts are prepared is consistent with the accounts; and
- the governors' report including the incorporated strategic report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the academy trust and its environment obtained in the course of the audit, we have not identified material misstatements in the governors' report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of governors

As explained more fully in the statement of governors' responsibilities, the governors are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the governors determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error. In preparing the accounts, the governors are responsible for assessing the academy trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the governors either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

Extent to which the audit was considered capable of detecting irregularities including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud, are detailed below:

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LIVERPOOL COLLEGE INDEPENDENT SCHOOL TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Identifying and assessing potential risks related to irregularities

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, we considered the following:

- The nature of the industry and sector, control environment and business performance.
- Any matters we identified having obtained and reviewed the company's documentation of their policies and procedures relating to:
- Identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
- Detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud;
- The internal controls established to mitigate risks of fraud or non-compliance with laws and regulations; and
- The matters discussed among the audit engagement team and involving relevant internal specialists, including tax, and industry specialists regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

As a result of these procedures, we considered the opportunities and incentives that may exist within the organisation for fraud and identified the greatest potential for fraud in the following areas: recognition of income and misappropriation of funds. In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory frameworks the academy operates in, focussing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act and Academies Accounts Direction.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the academy's ability to operate or to avoid a material penalty.

Our procedures to respond to risks identified included the following:

- Reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- Enquiring of management and those charged with governance concerning actual and potential litigation claims;
- In addressing the risk of fraud through inappropriate recording of income, we review the existence and completeness of ESFA income and reconcile all other material income streams to third party evidence;
- We carry out a detailed review of deferred income, including a review of amounts released to income in the year.
- We review a sample of expenditure to ensure it has been appropriately authorised and that tender process have been followed where applicable;
- We carry out a review of the register of interests and minutes to ensure that all related parties have been disclosed adequately;
- In assessing the risk of fraud through management override of controls, testing the appropriateness of journal entries and assessing whether judgements made in making accounting estimates are indicative of potential bias.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LIVERPOOL COLLEGE INDEPENDENT SCHOOL TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities is available on the Financial Reporting Council's website at: https:// www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO LIVERPOOL COLLEGE INDEPENDENT SCHOOL TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY

FOR THE YEAR ENDED 31 AUGUST 2023

In accordance with the terms of our engagement letter dated 16 March 2023 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2022 to 2023, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Liverpool College Independent School Trust during the period 1 September 2022 to 31 August 2023 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Liverpool College Independent School Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the Liverpool College Independent School Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Liverpool College Independent School Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Liverpool College Independent School Trust's accounting officer and the reporting accountant

The Accounting Officer is responsible, under the requirements of Liverpool College Independent School Trust's funding agreement with the Secretary of State for Education dated 31 July 2013 and the Academy Trust Handbook, extant from 1 September 2022, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2022 to 2023. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2022 to 31 August 2023 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw our conclusion includes consideration of governance issues, an evaluation of the control environment of the School together with enquiry, analytical review and substantive testing of transactions.

In line with the Framework and guide for External Auditors and Reporting Accountants of academy trusts issued April 2023, we have not performed any additional procedures regarding the academy trust's compliance with safeguarding, health and safety and estates management.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO LIVERPOOL COLLEGE INDEPENDENT SCHOOL TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2023

Conclusion

As noted in the Statement of Regularity, Propriety and Compliance, in the previous year the trust engaged an architect for work on a capital project, work has continued into the current year. The architect concerned was a related party and the contract was over £20,000. As such pre-approval should have been sought from the ESFA but this was not requested. A subsequent request was not approved by the ESFA on the grounds that:

- The evidence provided did not demonstrate that a competitive tendering process was followed and the supply of goods and services to the academy trust was properly procured through an open and fair process, as required by the Academy Trust Handbook.
- The evidence provided did not demonstrate that sufficient records were maintained to show this transaction was conducted with accountability and transparency, and that conflicts of interest were managed.

The ESFA have stated that although the transaction is not approved, it does not prevent the academy trust continuing with the agreement in this instance.

Notwithstanding the above, in the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2022 to 31 August 2023 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), (Charities SORP (FRS 102)), the Academies Accounts Direction 2022 to 2023 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Going concern

The governors assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The governors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Income

All incoming resources are recognised when the academy trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the statement of financial activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

(Continued)

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the accounts until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the academy trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

1.5 Tangible fixed assets and depreciation

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

(Continued)

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset over its expected useful life, as follows:

Land and buildings 50 years straight line Leasehold land and buildings 50 years straight line Leasehold improvements 50 years straight line Assets under construction Not depreciated Plant and machinery 20% straight line Computer equipment 3 years straight line Fixtures, fittings & equipment 20% straight line Motor vehicles 20% straight line

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use and reclassified to freehold or leasehold land and buildings.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

On conversion the academy acquired the land and buildings from which it operates under a 125 year lease. No value was paid for the land and buildings, which were incorporated into the accounts as a donated asset, based on a depreciated replacement cost valuation as at 31 March on behalf of the Department of Education.

1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods of services it must provide.

1.7 Leased assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

1.8 Investments

The academy trust's shareholding in the wholly owned subsidiary, Liverpool College Enterprises Limited, is included in the balance sheet at the cost of the share capital owned less any impairment. There is no readily available market value and the cost of valuation exceeds the benefit derived.

1.9 Financial instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

(Continued)

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.10 Stock

Stock is valued at the lower of cost and net realisable value. Net realisable value is based on estimated selling price less further costs to completion and disposal. Provision is made for obsolete and slow moving stock.

1.11 Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.12 Pensions benefits

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the academy trust.

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the academy trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high-quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income or expenditure are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.13 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy trust at the discretion of the governors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

1 Accounting policies

(Continued)

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/ donor and include grants from Education and Skills Funding Agency / Department for Education.

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2023. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

The ultimate responsibility for setting the assumptions is that of the academy trust, as the employer, however each year the LGPS actuary proposes a standard set of assumptions as part of the valuation exercise, using their expert opinion, and which comply with the accounting requirements. The academy trust has, in practice with most employers, adopted the recommended actuarial assumptions following further consultation with its auditors to ensure these assumptions are reasonable and in line with those adopted by other academy trusts.

Useful economic lives of tangible assets

The annual depreciation charge for tangible fixed assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are re-assess annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets.

Staff numbers

The average number of persons employed by the academy trust during the year was as follows:

	2023 Number	2022 Number
Teachers	91	86
Administration and support	144	132
Management	4	4
	239	222

Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs and employer national insurance contributions) exceeded £60,000 was:

	2023 Number	2022 Number
In the band £60,001 - £70,000	7	3
In the band £70,001 - £80,000	2	1
In the band £80,001 - £90,000	1	-
In the band £130,001 - £140,000	-	1
In the band £140,001 - £150,000	1	-

Key management personnel

The key management personnel of the academy trust comprise the governors and the senior management team as listed on page 1. The total amount of key management personnel benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the academy trust was £485,965 (2022: £464,900).

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

10 Governors' remuneration and expenses

One or more of the governors has been paid remuneration or has received other benefits from an employment with the academy trust. The Principal and other staff governors only receive remuneration in respect of services they provide undertaking the roles of Principal and staff members under their contracts of employment, and not in respect of their services as governors.

The value of governors' remuneration and other benefits was as follows:

H van Mourik Broekman – Principal and Governor:

Remuneration - £140,001 - £145,000 (2022: £135,001 - £140,000) Employer's pension contributions - £30,001 - £35,000 (2022: £30,001 - £35,000)

C Turbitt – Staff Governor:

Remuneration - £50,001 - £55,000 (2022: £45,000 - £50,000) Employer's pension contributions - £10,001 - £15,000 (2022: £10,001 - £15,000)

A Case – Staff Governor:

Remuneration - £15,000 - £20,000 (2022: £15,001 - £20,000) Employer's pension contributions - £nil (2022: £nil)

During the year ended 31 August 2023, travel and subsistence expenses of £nil were reimbursed to governors (2022: £nil).

11 Governors' and officers' insurance

In accordance with normal commercial practice, the academy trust has purchased insurance to protect governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy trust business. The insurance provides cover up to £10,000,000 on any one claim and the cost for the period is not separately identifiable from the total insurance cost.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

18 Funds

(Continued)

The specific purposes for which the funds are to be applied are as follows:

(i) General Annual Grant (GAG) must be used for the normal running costs of the academy.

(ii) The other government grants fund is used to track grants provided by local and central government departments.

(iii) The other restricted fund tracks grants, donations and other income arising from sources other than grants provided by central and local government departments.

(iv) The pensions reserve is a restricted fund to account for the liability arising under the Local Government Pension Scheme.

(v) The restricted fixed asset funds are carried forward to meet the specific costs of fixed asset projects and to cover the depreciation charges that will be required on these projects going forward as well as the current fixed assets held.

Under the funding agreement with the Secretary of State, the academy trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2023.

20 Pension and similar obligations

The academy trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by the Merseyside Pension Fund which is a multi-employer defined benefit scheme.

The latest actuarial valuation of the TPS related to the period ended 31 March 2020, and that of the LGPS related to the period ended 31 March 2019.

Contributions amounting to £133,082 were payable to the schemes at 31 August 2023 (2022: £120,000) and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academy trusts. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

20 Pension and similar obligations

(Continued)

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2020. The valuation report was published by the Department for Education on 30 October 2023.

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 28.68% of pensionable pay (including a 0.08% employer administration charge)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £262,000 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £222,200 million giving a notional past service deficit of £39,800 million
- the SCAPE discount rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 1.7% above the rate of CPI, and is based on the Office for Budget Responsibility's forecast for long-term GDP growth.

The next valuation result is due to be implemented from 1 April 2027.

The employer's pension costs paid to the TPS in the period amounted to £860,274 (2022: £872,803).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The academy trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The academy trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 17.2% for employers and 5.5 - 8.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.

Total contributions made	2023 £	2022 £
Employer's contributions Employees' contributions	201,000 71,000	158,000 57,000
Total contributions	272,000	215,000

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

20	Pension and similar obligations		(Continued)
	Principal actuarial assumptions	2023 %	2022 %
	Rate of increase in salaries Rate of increase for pensions in payment/inflation Discount rate for scheme liabilities Inflation assumption (CPI)	4.3 2.9 5.3 2.8	4.4 2.9 4.3 3.0

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2023 Years	2022 Years
Retiring today		
- Males	20.8	20.9
- Females	23.3	24.0
Retiring in 20 years		
- Males	22.1	22.4
- Females	25.1	25.9

Scheme liabilities would have been affected by changes in assumptions as follows:

	2023 £'000	2022 £'000
Discount rate + 0.1%	(42)	(34)
Discount rate - 0.1%	43	35
Mortality assumption + 1 year	46	40
Mortality assumption - 1 year	(45)	(39)
CPI rate + 0.1%	43	34
CPI rate - 0.1%	(42)	(33)

The academy trust's share of the assets in the scheme	2023 Fair value £	2022 Fair value £
Equities	1,119,000	762,000
Government bonds	123,000	147,000
Other bonds	39,000	55,000
Cash/liquidity	24,000	35,000
Property	258,000	171,000
Other assets	590,000	411,000
Total market value of assets	2,153,000	1,581,000

The actual return on scheme assets was £331,000 (2022: £28,000).

21 Private Pension Provisions

Liverpool College Independent School Trust has a number of staff who have chosen not to avail themselves of the different formal schemes available. Instead, they have taken on a private pension provisions with the college paying contributions at the rate of 5% during the accounting period on their behalf. Some members have also chosen to make paid contributions at the rate of 5% during the accounting period.

24 Long-term commitments

Operating leases

At 31 August 2023 the total of the academy trust's future minimum lease payments under non-cancellable operating leases was:

	2023 £	2022 £
Amounts due within one year Amounts due in two and five years	66,958 65,797	113,450 111,081
	132,755	224,531

25 Related party transactions

Owing to the nature of the academy trust and the composition of the board of governors being drawn from local public and private sector organisations, transactions may take place with organisations in which the governors have an interest. The following related party transactions took place in the financial period.

An amount of £88,182 (2022: £65,176) was paid to Ellis Williams Architects, where governor L Sheridan is a director. At the year end the balance owed to Ellis Williams Architects was £Nil (2022: £Nil). Prior ESFA approval was not sought before engaging these services.

There are no other related party transactions in the year.

26 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before he or she ceases to be a member.

27 Agency arrangements

The academy distributes Student Financial Support Funding to students as an agent for ESFA. In the accounting period ending 31 August 2023 the trust received £64,161 (2022: £29,210) and disbursed £50,746 (2022: £25,926) from the fund. Unspent bursary funding of £61,666 (2022: £51,535) is included in creditors.
