

Headteacher's Award

Well done to the following pupils who were given Headteacher's Award certificates this week.

Thomas H, Serena S, Amina M-S,
Oliver C, Jacob F, Poppy M, Mae H,
Jacob O-M, Poppy L, Shaima K, Rafa
M-B, Poppy M-W, Alice M, Heidi B,
Joshua L, Emilea M, Finley M,
Jessica H-S, Che H, Chloe C & Olivia
M.

I am increasingly concerned by the snacks that pupils are bringing into school for break time. Pupils may bring a healthy snack to eat at morning and afternoon break. This must be fresh or dried fruit ONLY. No crisps or chocolate bars. Please note that we have several children in school with nut allergies. All snacks must not contain nuts.

If you have any school library books at home can these be returned to school on Monday please? A box has been placed outside Prep school for a Covid safe return.

If you are having a clear out over the weekend we would happily accept any good quality reading books!

Elsie enjoyed a Year 5 Science lesson this week!

Well done to Rowan for creating a fantastic Trojan horse!

Year 3 are learning to tell the time and it would be really great if each child had their own analogue wristwatch to help them practise. If you have any spare, analogue watches you would be able to donate, we'd be really grateful!

Important Notice re: Head Lice

A parent in Year 4 has informed the school that their child has had head lice/nits, which they have eradicated by using the correct medication. **ALL** pupils' hair should be checked, regularly.

I would urge **ALL** parents - not just those with children in Year 5 - to please be vigilant and check your child's hair and use appropriate treatments. Some medications can be prescribed free for children - please ask your GP or pharmacist.

Prep Ski trip Feb 2022

Payment update letters have been sent out, please check your child's bag. All sign forms must be returned to Miss Clark.

This year's Summertime Soirée will take place online at a slightly later date than usual - Thursday 10th June at 6.30pm.

The evening promises to be a celebration of brighter things to come as we begin to see life slowly return to normal. The evening will take the form of a concert of two short halves, premiered on YouTube, with a 'Wine & Wisdom' style quiz in the interval to replace the lost occasions during lockdown 1 & 2. This part of the evening will take place on TEAMS - please email Mr Bishop from the email address that you would like the invite to be sent to. dbishop@liverpoolcollege.org.uk

Unfortunately, due to the online nature of this event, we will be unable to feature everyone as we would usually do in the form of solo & duet spots, so we have allocated these slots to pupils leaving the College at the end of this year on a first refusal basis. However, we will feature all of our willing musicians in the form of group items. Thank you, as ever, for your continued support of the music department, we look forward to seeing you online on 10th June and we wish you very best wishes over the coming months.

From time to time we need to contact parents if you have recently changed your mobile phone or moved house please let Mrs Herron know.

The ASD Training Team

The Liverpool ASD Training Team are providing a series of virtual drop in advisory sessions via zoom. They are for parent/carers wishing to talk in a private one to one setting about any questions or concerns they may have about their child. You do not require a diagnosis of ASD to book your place.

Dates for April - May 2021 Times for each date

19th April, 26th April, 27th April, 28th April, 4th May, 5th May, 6th May, 10th May, 11th May, 12th May, 13th May, 17th May & 18th May

9.30- 10.15

10.30 - 11.15

11.30 - 12.15

1.00 - 1.45

2.00 - 2.45

Any questions - please email jcook@liverpoolcollege.org.uk

Forest School from
Liverpool Onsite
learning

This week 5R set out to create a bird buffet using a frame that Isabelle had donated last year from her DT project.

Grace, Beth and Abdul created this masterpiece and the twittering on the bird grapevine was deafening!!

Abdul was especially useful this week, using his knot tying skills to reset the bird hide fence which had blown down.

It's always a pleasure to see our "older" children enjoying the woods and the natural environment, their imaginations are so powerful!!

3P joined me again this week as part of their activity programme, and on arrival it was clear that one of the side ropes of the tarp roof had snapped. I considered calling for Y6 back up to reset it, but then thought I would test out the skills of our youngest children. How surprised I was when Henry and Sylvia showed me their patience and strength in first lowering, then re-erecting the secure roof; superb teamwork!

Sajeer showed great perseverance when given the task of undoing the knots in some of the para cord, such concentration.

Y3 also created a natural Mickey Mouse from debris around the forest, I can really see his features and they were so proud of their work.

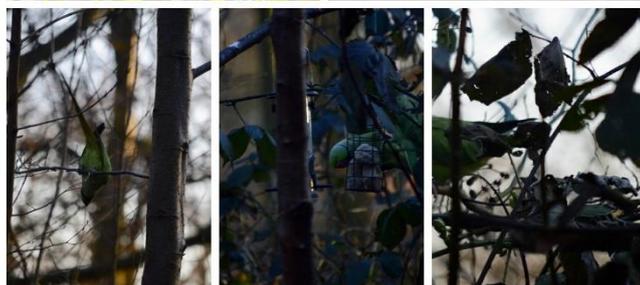

James climbed a tree then declared himself "stuck"!! After a moment of panic, he listened to his friends (and me closely observing) and worked out how to get down....resilience and problem solving in action!!

I had the privilege of chatting to Hugo from 3Q this week. We were talking about what he likes about being outdoors, where he likes to go and why.

Hugo explained to me that he loves nature and photography, then later on he shared these pictures with me.

They are too good not to share, I hope you enjoy them as much as I do. They are a work of art, and all his own work!!

Advanced notice for Year 3, 4, 5 & 6 parents evening.

Year 6

20th & 21st April

Year 3, 4 & 5

27th & 28th April

All appointments will be on School Cloud.

You will receive an email after the Easter holidays with a link to book an appointment via our electronic booking system.

Best wishes to you all for the weekend!

Mrs A Pease - Head of Prep
