Merseyside medals!!!

Despite being unwell Beau R managed 21st place out of nearly 200 elite year 5 girls! Congratulations to the Merseyside Y5 girls' team they received a

silver medal!

Congratulations to Charlie W who got 5th place!!! The boy's year 6 team also achieved a team silver medal.

Seb W ran a great race too and raced home in 56th place which on the face of it might not seem incredible but again, every single kid at this event is elite and have been through the same rigorous selection process. No one making up the numbers here. the best of the best!

Parent information - Prep school tracksuit bottoms

At present the school uniform shop doesn't have a supply of the school tracksuit bottoms, plain black tracksuit pants will be fine for the rest of the academic year.

Congratulations to Grace I she won the junior nationals Brazilian jujitsu championship last weekend.

Last Friday the netballers played their last match of the season, and what a match it was! The girls were determined to win and spent time discussing tactics on how to achieve their goal. The year 5 girls played with great pace and kept the ball in the attacking side for most of their match. Both year 6 teams played with focus and speed and never took their eyes off the ball. All teams played remarkably well and were able to keep spirit levels high with the help of the crowd.

Year 6 A won - 9-0

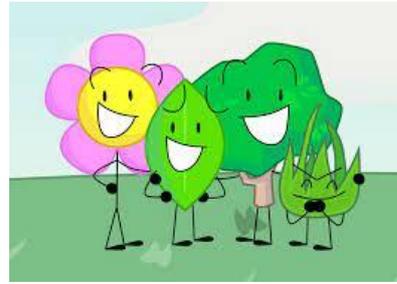

Year 6 B won - 10 - 1

Year 5 were sadly defeated - 3-2

The LC girls have had a fantastic season and both Miss Crossley and Miss Brooke have thoroughly enjoyed coaching the teams. We are incredibly proud of the netballers and we are excited to play again come September!

This week Roberto V M in Year 9 came to help with Spanish in the Prep School. Roberto is doing volunteer work for the Duke of Edinburgh Bronze Award. Roberto, who is Spanish, will be helping the Prep School children with their Spanish for some of the projects they are doing around school at the moment. We are delighted to have his help.

The Garden Gang are fundraising for some shelves for their shed and some compost. They are holding a cake sale on the last day of term; Friday 8th April. The cake sale is for Y5 and Y6 pupils and cakes will be 50p or £1. Please bring in some change and support our cake sale. Huge thanks Miss Robinson and The Garden Gang.

Crispin (the camel) celebrated his 5th Birthday with a roam around the campus on Wednesday this week. Now fully out of hibernation, he enjoyed appearing alongside the fabulous cast of Seussical and you should see him round and about campus more often in the summer term!

Choir and BPM back to normal this week.
Choir is Mondays 3.15 - 4.15pm in the Prep School Hall

BPM on Tuesday until 5pm, with pick up from Godwyn House.

After the amazing success of Seussical the Musical we are now preparing for The Springtime Soiree

What a changeable weather week we have had!! One minute it was sunny, then it was minus degrees, then it was sunny, then it was hailing.....good job we dress for all weathers!!

This week, 4P and 5Q enjoyed their sessions, plus our activity groups. We focused on flint and steel practise and we collected garlic leaves and made garlic crisps on the fire. Some of the pulled faces were hysterical!!

Y5 dug for more clay and created some wonderful masterpieces. Some created dens which give a semi-detached house a wakeup call.

Every aspect of these sessions compound my joy of Forest School, the children find pleasure in the simplest of things.

There will be no sessions next week, we will resume after the Easter break. Many thanks for your support.

Best wishes to you all for a
good weekend
