Year 5 Virtual Reality Day

Using the wonders of VR technology, Year 5 students were given the opportunity to become astronauts on Tuesday as they blasted off into space to explore our Solar System. As part of the science curriculum, the children were learning about Space. The state of the art Virtual Reality headsets allowed them to pilot a research vessel are planets, moons and our sun. This truly immersive experience undoubtedly boosted the students' learning and retention of fact about the topic. Hopefully, we will have also inspired the next generation of scientists, engineers, or even astronauts, to blast off into space for real! Our thanks to Mrs Doran for organising the event and to the Wilton Trustees for providing the funding the programme that enabled this fabulous event to take place.

Congratulations to Bella, her brother & cousins they hosted a cake sale on Saturday to help raise money for St John Ambulance. Bella's mum and dad are running the London Marathon to raise funds for St John Ambulance.

The cake sale raised just under £500.00 and we are all very proud of you!

Good luck Mum & Dad!!!!

Spanish Ambassadors

As we have so many fabulous Spanish speakers in the Prep School, some new Spanish leader roles have been created. These Spanish ambassadors will help

to lead Spanish activities in class and will also promote Spanish throughout the school. Two children from each form have been elected by their class to do this role for the first term.

U11 Football LSFA Cup

Last week our Year 6 teams headed to Simpsons for their first taste of school football in a very long time. We were put in a very difficult group with some of the strongest teams in the city. After a thorough warm up, in the VERY warm weather, we were raring to go. Our first game was against old foes and serial winners Bishop Eton. We didn't get off to the best start, with Bishop Eton scoring two goals in quick succession. However, we didn't let the score line get us down, and we responded brilliantly. Finn S scored two excellent goals with instinctive finishing, bringing us back to 2-2. We even had the chances to win the game, but in the end a draw seemed a fair result. The quality of the opposition didn't abate, however, as we then faced Booker Avenue. We dominated the game (in my opinion anyway!) and certainly created the best chances. The Booker goalkeeper pulled off two remarkable saves on the line to stop us getting a crucial goal. The game ended 0-0, which I think reflected harshly on us. Our final group game was against a very competitive Much Woolton side. They proved hard to break down, but so did we. Our defence, marshalled very well by Harvey L, kept them at bay, and some confident handling by our goalkeeper Daniel C saw the game end in another 0-0. As the

final group game, Booker v Bishop Eton, got underway, we were frantically doing some mental arithmetic to work out the various permutations that our progress depended on. It turned out we needed Booker to score a goal and win the game. Sadly, this did not transpire, as the game ended in yet another 0-0 (short games + big pitches often leads to this!) So, it turned out we were knocked out by virtue of having score one goal less than Bishop Eton during the afternoon. We were disappointed, but could reflect on a series of games in which we showed lots of attacking promise, and didn't lose. Booker went on to win the whole tournament, and given that we had far the better chances in our 0-0 with them, we headed home ruefully wondering what might have been!
