CALLING ALL YEAR 6 PARENTS

We are collecting photos of your children from their time at LC so far for their Leavers' Celebration at the end of the year.

If you have any that you would be willing to share please email them to eclark@liverpoolcollege.org.uk

We've enjoyed the company of R3 and 1R in the woods this week. Their delight at foraging for garlic

leaves was wonderful.

Many of them had plans to use their leaves in cooking at home.....We'd love to see any photos of your children cooking.

Y5 had quite a chilled afternoon, the sun was glorious and spread warmth among us. They set to fixing up their den in the trees and continuing to make improvements. They restocked our beautiful bird table with food inside and out.

3P reconnected with their ancestral primates and took to swinging from the trees, a pastime that they all love and request I photograph for evidence!

Others made a fire pit at the top of the woods using skills they have learnt over the weeks.

Our woods are beautiful all of the time, but more so when the sun shines!!

As the weather is starting to warm up please remember to give your child a full water bottle! Unfortunately, due to Covid, they cannot refill in school.
