We are completely overwhelmed by everyone's generosity.

Checking whether a child needs new shoes is vital to maintain the health of rapidly-developing feet, and we know that after an extended period of shop closures during the recent lockdown, lots of children could be wearing the wrong sized school shoes. To support parents with this, Clarks in the John Lewis store are offering a free shoe-fitting service on Floor 3 in Liverpool ONE.

CHILDREN'S SHOE FITTING

Checking whether your child needs new shoes is vital when their feet are growing so quickly. All our fitters are trained by either Clarks or Start-rite, and will be able to advise you on the best shoes for your child.

We offer a shoe-fitting service in selected John Lewis shops. Pre-book an in-store appointment at [johnlewis.com/services](https://www.johnlewis.com/services)

Scan the QR code to find out more.

They offer 3 types of appointments with expert Partners; General Shoe Fit, First Shoes Fit and Back to School Fit, and all are available as a bookable appointment to skip the queues via this link <https://www.johnlewis.com/our-services/childrens-shoe-fitting>

All the fitters are trained by either Clarks or Start-rite and will be able to advise you on the best shoe style and brand for all appointments. They have made a few changes to in-store fitting service to help provide a safe shopping experience for both our customers and our Partners. This includes respecting social distancing guidelines, implementing protective screens and using specialised equipment to carry out the fitting appointment, including Partners wearing PPE and regularly cleaning the department.

Again, this week, we had the pleasure of 2 Y1 classes. Their delight at getting back to the woods

was wonderful to hear. We had our older helpers in attendance to stave off any nerves and to bolster confidence!

Y4P were also delighted to get back to our forest and made the most of the space we are so lucky to have. Grace showed off her skills as a contortionist, hiding completely inside a tyre....oh to be young and flexible!!!!

Y5R set to work re-stocking our bird table while a superb team of enthusiastic workers, ably led by Brennan and Abdul, made a start on removing some debris from behind the shed.

This is a big job and our Y5 children have taken up the challenge. Their brief was to bag up the debris and our groundsmen would collect it.....our warriors went a step further and, as a team, carried the bags back up to school! Their dedication is superb!!

Breakfast Club Notice to Parents/Carers

If you would like your child to attend Breakfast Club in September it is important that you complete and return the form which is attached to the newsletter and return it to Mrs Fraser by **Friday 21st May**. kfraser@liverpoolcollege.org.uk

We are expecting demand to be high and would encourage you to request your sessions early. If your form is received after this date you may have to be placed on a waiting list.

As the weather is starting to warm up please remember to give your child a full water bottle! Unfortunately, due to Covid, they cannot refill in school.

Prep Ski trip Feb 2022

A polite reminder for parent to check Parent Pay. **Current payments should be at £700 and the new payment schedule begins in May.**

Please note that this **DOES NOT** include new recruits who should continue to follow the payment schedule sent out separately!

Best wishes to you all for the weekend!

Mrs A Pease - Head of Prep

**PLEASE CHECK THAT ALL
KIT/UNIFORM IS NAMED OVER
THE HALF TERM HOLIDAYS**

We have rather a lot of lost property in the lost property box.

Any unnamed lost property that is not claimed will be donated to the nearly new sale.
