## Robinswood

The pupils of Year 5 had the most wonderful time at Robinwood! On Monday, we got into school bright and early to head off on our 3-day trip to Wrexham. When we arrived, our excited group leaders were there to greet us and show us to our rooms before our first lunch; this gave us our energy to begin our activities. Our 3 days were packed full with a number of fantastic activities, each challenging us in different ways. The zip wire was a firm favourite for a lot of us, as well as canoeing and the dungeon which resembled an escape room. The challenge course was also a popular activity, as well as the giant swing which required one brave team member to pull the dragon to release the swing! Each and every child who attended the trip should be extremely proud of themselves for all that they have achieved - both the teachers and the staff at Robinwood commented on how sensible they were both during the days (and the nights too)! They showed a huge amount of courage, determination, a lovely sense of humour and encouraged their peers wonderfully. It was a pleasure to take them away and I look forward to hearing of their future adventures doing these activities!
