6 March 2026

Dear Parents and Carers,

A school record was broken this week when the two evening performances for our upcoming KS2-KS3 production of *Bugsy Malone* sold out in a staggering 11 minutes! The show is going to be the highlight of our last week of term and a fantastic celebration of the musical and acting talents of our pupils. I am very much looking forward to it, as are the pupils! There are still a few tickets available for Thursday's (26 March) matinee performance – [click here](#) for tickets.

We didn't have to wait until the end of term though to enjoy listening to the excellence of our musicians. Last Friday I was delighted to attend the first of a series of free concerts showcasing our orchestra, BPM, held in the MV Hall. They performed a wide variety of musical styles and pieces, some familiar, some new, each piece captivating the listener.

The evening also gave us an opportunity to publicly recognise the ongoing commitment and hard work of BPM members and a chance to acknowledge as well the vital support that parents and carers provide in helping to grow and sustain LC Music. My particular thanks of course to Mr Bishop and Miss Clark who instruct, conduct, and play themselves to showcase such a community of musical talent.

Mr Bishop has also picked the concert as his musical highlight of the week:

*This week's **Musician of the Week** is Ruaridh M (Ch10) for playing two solos in last week's concert featuring BPM. Ruaridh's musicianship really showed through his performances during this first in a series of free concerts. It was great to showcase our instrumentalists in this way.*

I am delighted to announce the appointment of our new **Head Prefects**. This week Mr Griffith (Assistant Principal: Head of Sixth Form) and I met with **Orla C** and **Ismail A H** (Ch12) to confirm their new roles which they officially take up next term. Orla and Ismail were chosen with the support of staff and their peers and I am very much looking forward to working with them over the forthcoming academic year to build on the hard work of prefect teams before them.

Well done to everyone in the primary phase for their energetic and imaginative celebration of World Book Day on Thursday. From book swaps and book fairs to reading buddies and the creative costumes of pupils and staff (including Mrs Pease dressed as a giraffe!) it was a fantastic day. Thank you to Miss Brooke (Primary English Lead) for her organisation of the different activities and events that took place.

Our **artist of the week** this week is Anna C (Ch 7) - *Fauvist Landscape*.

Congratulations to our Chapter 9 Wilton Scholars Team of Eva F, Beau R, Annabel O-A, Elodie J, Grace P and Sienna S who have won the National BIMA Digital Day competition with Hello Fresh. The team created a promotional campaign with Duolingo, combining cuisine choices with language lessons. Their concept was to encourage family dining, promote language education and create loyalty in their customer base through a 'Round the World' promotion. Well done to all the team for their fantastic achievement!

A quick reminder to all parents and carers of pupils and students in the secondary phase. **Speech Night** is on **Thursday 19 March at 7pm** (please note the earlier start time than in previous years). We have sent you separately information about the arrangements for the evening via an MCAS notification this week.
