MISSION EMPLOYABLE

Mission Employable is a new, free Newsletter for parents, bringing you practical tips, tools, and insights to support your child as they explore what's next. From understanding apprenticeships, graduate schemes, and work experience, to navigating interviews, AI in hiring, and industry trends. This newsletter will share ways to help you motivate, inspire, and build their self-belief as they take their next steps, whatever path they choose. Click [here](#) to sign up.

WANT TO STUDY FOR YOUR DEGREE ABROAD?

The decision to study abroad is a big one and should not be taken lightly. Every year more British students are weighing up their options and deciding that studying abroad is the right choice for them. From universities in the United States and Australia to China and Japan, the number of Brits travelling for some or all of their higher education is increasing. If you are interested in studying abroad the we hope that the ASTARFUTURE website will give you some guidance when you start your search. We cannot possibly offer you comprehensive guidance to every university around the world but we hope that this site gives you some clear advice on studying abroad. Click [here](#) for the website.

A PARENTS GUIDE TO UNIVERSITY

The Parents' Guide to University 2025 will help you support the young people in your life to make an informed choice about university. It includes articles to guide them in deciding whether university is right for them, what they should study, and where they should study it. Click [here](#) for the guide
